Nigel Bennett’s unique autobiography describes his life and career, from growing-up influenced by car design, to his education and the building of his 750 specials. He describes his work as Firestone Development Manager, recounting many tales of the outstanding designers and drivers of the period. Detailing his work in Formula 1, as a Team Lotus engineer, and then as Team Ensign designer, he also covers his Indycar designs at Theodore, Lola Cars and Penske Cars. Life after his retirement, his involvement in boat design and with modern F1 teams, are also recounted.

Here is an introduction to the whole cult of the dune buggy, from its earliest beginnings as a crude off-road vehicle in the 1920s, to the explosion of glassfibre-bodied and VW-based fun cars that became the cult transport of teenagers everywhere in the 1960s and 1970s. With histories, production details, dates and identification tips for over 70 US and UK buggies, this book will help identify the many marques that have been produced over the years. Using period photographs and archive material, combined with amazing contemporary photography, the book is a visual feast, and also contains sections on buggies and celebrities for those that want to spot pop stars, TV hosts and racing drivers posing with period vehicles.
