Like Proof of Heaven and To Heaven and Back, a medical drama with heavenly implications in which a woman receives premonitions of her death that come true, and her discovery of the heavenly help available to all of us. When she was pregnant with her second child, Stephanie Arnold had a sudden and overwhelming premonition that she would die during the delivery. Though she tried to tell the medical team and her family what was going to happen, neither the doctors nor her loved ones gave her warnings credence. Finding no physical indications that anything was wrong, they attributed her foreboding to hormones and anxiety. One member of the medical team did take her concerns seriously enough, and made the fateful decision to order extra units of blood "just in case." Then, during the delivery, Stephanie suffered a rare Amniotic Fluid Embolism. She went into cardiac arrest and flat-lined for 37 seconds. She died. Using the supplementary blood, the

medical team revived her, and she remained unconscious for more than six days. After months of recovery, Stephanie began to remember details of her experience, details she knew because she had witnessed the entire dramatic event, including her death, from outside her body—beside other spirits that were with her. In this remarkable true story, Stephanie recounts her harrowing journey and shares her surprising spiritual discoveries: we are not alone and have more loving help than we can imagine surrounding us.

In this remarkable true story, Stephanie recounts her harrowing journey and shares her surprising spiritual discoveries: we are not alone and have more loving help than we can imagine surrounding us.

Eddie is a wounded war veteran, an old man who has lived, in his

Download File PDF 37 Seconds Dying Revealed Heavens Help A Mothers Journey

mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

DEATH HAVE YOU TALKED TO YOUR CHILDREN ABOUT IT? WHEN MOMMY WENT TO HEAVEN ITS A BOOK ABOUT A MOTHER HAVING A BABY AND NOT RETURNING HOME TO A LITTLE GIRL WHO BECOMES HURT & ANGRY. SHE THOUGHT DEATH WAS FOR THE OLD AND GRAY.LIKE HER GRANDPA, BUT SOON LEARNS THAT DEATH CALLS YOU HOME AT ANY AGE. DEATH ITS NEVER TO EARLY TO TALK ABOUT IT. BUT SOMETIMES ITS TO LATE.

A doctor recounts patient stories from her five-year clinical study of Near-Death Experiences, revealing how this phenomenon is more powerful than we realize Dr. Penny Sartori is a registered nurse who began researching Near-Death Experiences (NDEs) in 1995 after one of her long-term intensive care patients begged her to let him die in peace. Inspired by this encounter, she went on to research NDEs in a PhD program, where she learned profound spiritual lessons and made startling discoveries that she now shares in *The Wisdom of Near-Death Experiences*. During her academic work, Dr. Sartori studied three samples of ICU patients during a five-year period. Here, she recounts the eye-opening stories of those patients who experienced NDEs and out-of-body experiences (OBEs). In one group, as many as 18% of patients experienced an NDE—though

Download File PDF 37 Seconds Dying Revealed Heavens Help A Mothers Journey

Patient #10 stood out among the others. After being unresponsive, he awoke to report he had experienced an OBE. He was able to describe what happened in the hospital room while he was unconscious and claimed he met not only his deceased father but a Jesus-like figure. Most shocking of all, he had regained the use of his hand—which had been paralyzed since birth. When talking about the biggest takeaways from her research, Dr. Sartori shares how her findings have made her question the common belief that the brain gives rise to consciousness. Most importantly, she has gained a deeper appreciation for death—an experience she now views with less fear and anxiety. In addition to detailing dozens of case studies, *The Wisdom of Near-Death Experiences* also discusses childhood NDEs, the differences in NDEs among different cultures, and the after-effects of NDEs.

HOW TO SUCCEED IN HEAVEN WITHOUT REALLY DYING is not a self-help book, but a darkly satirical, modern-day urban fairy tale concerning the adventures of a young man coming to terms with life, death, and all their crummy consequences. It's also the underground novel that prompted a letter of complaint from a member of the Church of Scientology, even though the author wrote enough to offend just about everybody. "A masterpiece." -Christie Schuler Smith, *The Valdosta Voice*"McDaniel shows real storytelling talent and a penchant for irreverent humor." -Debbie Lee Wesselmann, author of *Trutor & the Balloonist* and *The Earth and the Sky*"A little gem I personally found myself laughing out loud for more than is strictly healthy." -Nigel, *Booklore: The Site for Book Lovers / Booklore.co.uk*"Wonderful characters and clever situations, laced with a hilarious and occasionally sick and twisted sense of humor It's funny, exciting, poignant, even scary, with some big surprises and nice twists " -Brian Cartigan, *Bookmuse.com*

extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

“Fatal Affair soft read takes its readers to terrifying emotionally new heights with its thrilling chilling attraction gone wrong.” Dillon Sheldon the owner and founder of Crasher's Grocery store fulfill his dream and hire the young, glorious African-American, Mississippian Charlene Rene Youngblood who's married to successful Jester Youngblood. Although married Dillon's so driven by his lustful curiosity attraction to black women he purposely hire Charlene, to work for him intending to experience a passionate romantic intimate sizzling affair with her. Their daily encounters bring them into an affair but after several months Dillon ends it leaving Charlene devastated, psychotic and pregnant. Dillon realizes their affair was a mistake and he hoped they'd return to their normal lives. But Charlene's obsessed and possessed and refuses to free him even if it means bloodshed and death. This twisted love affair gone wrong is eminently thrilling, exciting, emotionally stimulating, strikingly provoking and much more!

“There’s a thin line between life and death.” “We always believe we’re right in our own eyes.” “Being in love could lead to heartache and tears.” “Heaven’s Last Child is eminently striking and thought provoking this extraordinary story challenges its readers to take a closer look at race, hatred, love, forgiveness, choices and the power of prayer.” Heaven Gardenia is an extraordinary forty year old African-American who’s faced with enormous loss including the loss of her four daughters to their fathers. She believes her daughters is all she have but soon understand she have more to gain. After a night of intimacy with her new boyfriend Nate Burns she become ill and believes she’s going through menopause but soon discovers she’s pregnant by him. Racial tension from his side of the family soon split them a part Heaven’s left to raise Sky alone but accepts her ex-husband Luke Gardenia back into her life believing she’s making the right decision. Heaven’s devastated when she realizes his racial hatred is deeper than what she thought and taking him back was a mistake. Luke’s on a mission to kill her baby because he’s by a Caucasian man. Heaven must choose between her only son Sky and Luke her ex-husband from her past. “Incredibly powerful” “Will the villain fulfill his desire or will it crumble?” “Who will Heaven choose Luke or Sky?” This narrated and scripted literature is a part of the Grandma’s Rose collection of books.

The true-life tale of a “motherless-daughter's” extraordinarily bumpy road to motherhood, Lauren Braddock Havey's memoir, “A Journey to the Son,” follows Lauren and her husband Jim as they make the brave decision to go through the in vitro process and the white-knuckle journey that ensues. Readers will be touched and united by her experience of what is a decidedly challenging journey, one that is almost tragically derailed (by an amniotic fluid embolism, an extremely rare and most-often fatal obstetric emergency), but which ends happily and triumphantly a year after the baby's birth. “A Journey to the Son” transcends the genre of

Download File PDF 37 Seconds Dying Revealed Heavens Help A Mothers Journey

reproduction literature. Lauren's engaging wit and honesty pulls the reader in, making her story more than a memoir of fertility treatments, complications, and trauma—Lauren's story is a celebration of life.

It's easy to take it all for granted and go through life feeling invincible—especially if you've spent your life successfully facing challenges, overcoming obstacles in the way, and working hard to improve yourself both mentally and physically. Yet for all of us, this feeling of invincibility is an illusion. From *Sudden Death to Paradise* shares one man's story of suddenly facing his mortality and coming to terms with what he experienced. After being exposed to toxic chemicals while in the military, and unknown to him, author T. S. Dismas developed an autoimmune disease that would kill him—one night, Dismas suffered sudden heart failure and died for ten minutes. Yet in that moment, he had a near-death experience and visited heaven, where he would learn a valuable lesson about himself, his life, his faith, and God. No amount of suffering could take away his joy and peace, and after his experience, life was now sweet and truly a gift. With a new heart—both literally and spiritually—he was able to realize his previous life was not part of God's plan, and that embracing God's love is the only way to sustain happiness and find meaning in this life.
