From the bestselling author of *Going Home*, which Sophie Kinsella hailed as “fabulous,” comes a novel sure to touch and delight anyone who believes in love. Laura Foster is a hopeless romantic. Her friends know it, her parents know it—even Laura acknowledges she lives either with her head in the clouds or buried in a romance novel. It's proved harmless enough, even if it hasn't delivered her a real-life dashing hero yet. But when her latest relationship ends in a disaster that costs her friendships, her job, and nearly her sanity, Laura swears off men and hopeless romantic fantasies for good. With her life in tatters around her, Laura agrees to go on vacation with her parents. After a few days of visiting craft shops and touring the stately homes of England, Laura is ready to tear her hair out. And then, while visiting grand Chartley Hall, she crosses paths with Nick, the sexy, rugged estate manager. She finds she shares more than a sense of humor with him—in fact, she starts to think she could fall for him. But is Nick all he seems? Or has Laura got it wrong again? Will she open her heart only to have it broken again?

“Adair just keeps getting better!” —Jill Shalvis, New York Times bestselling author “Lighthearted and humorous...a sweet, satisfying romance.” —Publishers Weekly A Goodreads Most Anticipated Romance of January An Amazon Book Review Highly Anticipated Romantic Comedy & Best of the Month Selection An Apple Books Best of the Month Selection A funny and delightful story from the New York Times bestselling author of the St. Helena Vineyard series that fans of Avery Flynn, Kristan Higgins, and Helena Hunting will love. Set against the breezy backdrop of coastal Rhode Island, bestselling author Marina Adair's latest novel asks whether two of a small town's biggest hearts can learn to put themselves first—in the name of love. . . As caregiver for her autistic brother, Beckett Hayes knows how meaningful a little extra help can be when life happens. Which is why she runs Consider It Done, a personal concierge service in her small town. Her job also gives her the flexibility to follow her passion, being Rome, Rhode Island's unofficial special needs advocate, training emotional support companions in her spare time. There's not much of that, though, and certainly not enough for serious dating. It's always been family first for Beck. But one unquestionably gorgeous, good-natured man is suddenly a temptation that's getting tougher to resist . . . Sixteen years ago, Levi Rhodes was ready to sail off into the sunset—literally. But then his father's death and his sister's unexpected pregnancy postponed his sailing scholarship and the adventures he had planned. Running the family marina and bar was the least he could do for his grieving mother. Plus, his niece needed a father-figure. But now that she's in high school and has her bio-dad in her life, Levi's wondering if it's time to get his sea legs under him again. Or he was wondering, until curvy, caring Beck showed up in his bar, and then in his dreams . . .

Teddi Baker used to believe in happily ever after. It's why she became a wedding planner and worked so hard to make her business, *Hopeless Romantic*, successful. But after the catastrophe of her own marriage, Teddi loses her heart, her hope, and half of her assets. She is officially jaded, but she needs every job she can get to make ends meet. When bride-to-be Kelly Scott walks in, Teddi is ready. Until she comes face-to-face with Kelly's sister: Leah Scott, her ex-wife's divorce attorney. The one who helped ruin her life. Leah Scott wears her heart on her sleeve, an odd characteristic for a divorce attorney. When her father left her stay-at-home mom with barely enough money to survive, she recognized her calling. But Leah still believes in happiness and no one deserves it more than her sister. If only Kelly didn't insist on using a wedding planner who hates Leah's guts...despite the unexpected and wholly unwanted chemistry between them.

When he falls, he falls hard. Millie Baylin just moved to a new city to start college. Introverted and studious, she plans on spending most of her time holed up in the library working on her novel and keeping to herself. But when she gets dragged along to a school football game by her fun, football-mad new roommate, the hot alpha quarterback almost drops the ball at his very first sight of her. Bo McCabe is saving himself. A hopeless romantic at heart, he's holding out for the real thing. As soon as he lays eyes on the shy stranger with the striking gray eyes and the angel's face, he'll stop at nothing to find out if she's the one he's been waiting for all along. Millie thinks Bo's insta-obsession is insanity and wants nothing to do with him. But Bo is determined. Because, somehow, Millie has already stolen his heart ... and he is now utterly obsessed with winning hers. Can Bo convince Millie he's the man of her dreams? Hopeless Romantic is a sexy standalone novella, starring an obsessed hero and the love of his life (includes three hopelessly romantic HEA epilogues!). This book is a tribute to love at first sight and insta-everything (because it happened to me :). Book #1 in the McCabe Brothers series

For fans of Lauren Layne and Kristan Higgins comes a delightfully “fun bit of fluffy entertainment” (Publishers Weekly) in the first book of a charming new series, in which a young woman is forced to help her old friend revamp his image for the upcoming mayoral elections...and discovers that she might not be as immune to his charms as she once thought. When Emmanuelle Peroni's father—and current mayor of Hope Lake, Pennsylvania—suggests she help with Cooper Endicott's campaign, she's horrified. Cooper, one of her (former) oldest friends, drives her crazy in every way possible. But he's also her father's protégé, so Emma reluctantly launches her plan to help him win the local election. It's not as easy as it looks. Cooper's colorful love life is the sticking point for many voters, and his opponent is digging up everything he can from his past. It seems that every time Emma puts out the flames from one scandal, another one flares up. Emma knows that if Cooper wants to win, he needs to keep his nose clean. The only problem? She might just be falling in love with the one person she promised never to pursue: the mayoral candidate himself.

From the USA TODAY bestselling author of On the Corner of Love and Hate comes a romantic comedy about a woman who grudgingly returns home to small-town Pennsylvania, only to find herself falling in love—not only with the town, but with two of its citizens. Charlotte Bishop is out of options in New York City. Fired, broke, and blacklisted by her former boss, she's forced to return to her hometown of Hope Lake, PA to lick her wounds. Although she's expecting to find a miserable place with nothing to do, she is pleasantly surprised to discover it is bustling and thriving. She's only supposed to be in Hope Lake temporarily until she can earn enough money to move back to New York. She's not supposed to reconnect with her childhood friends or her beloved grandmother. She's not supposed to find her dream job running the local florist shop. And she's definitely not supposed to fall for not one but two of Hope Lake's golden boys: one the beloved high school English teacher, the other the charming town doctor. With a heart torn between two men and two cities, what's a girl to do? A perfect blend of humor and heart, Meet Me on Love Lane is the second in a new series from USA TODAY bestselling author Nina Bocci that is sure to charm fans of Josie Silver and Sally Thorne.
