valuable than ever. All of the world ' s major religions emphasize the importance of love, compassion, and tolerance. This is particularly true in the Buddhist traditions, which unanimously state that compassion and love are the foundation of all paths of practice. To cultivate the potential for compassion and love inherent within us, it is crucial to counteract their opposing forces of anger and hatred. In *Perfecting Patience*, the Dalai Lama shows how, through the practice of patience and tolerance, we can overcome the obstacles of anger and hatred. He bases his discussion on *A Guide to the Bodhisattva Way of Life*, the classic work on the activities of bodhisattvas—those who aspire to attain full enlightenment in order to benefit all beings. This book was previously published under the title *Healing Anger*.

Life requires continuous adjustment in relation to unpleasant and unfavorable circumstances. In everyday situations (such as opening an umbrella in the rain, or wearing a jacket in the cold) we generally don ' t resist these required adjustments. However, when dealing with difficult people, facing unhealthy relationships, in family relationships, or in the midst of marriage problems, adjustments become increasingly difficult. Some of our relationships could even be said to be the very definition of conflict! We ask ourselves, how can we possibly adjust in these emotionally-challenging situations? In the book " *Adjust Everywhere* " , Gnani Purush (embodiment of Self knowledge) Dada Bhagwan offers the

ultimate conflict resolution skills in the form of spiritual conflict resolution strategies. His key phrase “ Adjust Everywhere ” is explained in the context of many common and everyday relationship challenges. Whether seeking relationship tips, marriage advice, or simply to learn how to stay healthy, this book will prove an invaluable resource.
