The Anticipation Guides strategy asks students to express their opinions about ideas before they encounter them in a text or unit of study. Completing anticipation guides helps students recognize and connect to themes that surface in their learning. Use this strategy at the beginning of a unit or before engaging with a text.

about the statements. Then, after they read the story, they write down how a specific character feels about the same statements.

~~Anticipation Guide – The Teacher Toolkit~~

Construction of the anticipation guide should be as simple as possible for younger students. Write four to six statements about key ideas in the text; some true and some false. Include columns following each statement, which can be left blank or can be labeled Yes, or No (Maybe can also be used). NOTE: Teachers may wish to create an additional column for revisiting the guide after the material has been read.

~~Anticipation Guide | Classroom Strategies | Reading Rockets~~

Create the Anticipation Guide by constructing a series of statements about specific items or concepts in the lesson.

excited and curious about a new topic. Before reading, students listen to the teacher or another student state key ideas about the concepts in the text. They can also read several statements about the key concepts presented in the text.

~~Anticipation Guide~~ STRATEGIES

Prepare a series of True/False or Agree/Disagree statements and insert them into the "Statements" column of the Anticipation Guide template, if using. These statements should be connected to the text students will be reading. Anticipation Guides are most effective when they cover topics that are controversial or debatable.
