**Biblical Archaeology (Bible History Online)**

Biblical archaeology is an academic school and a subset of Biblical studies and Levantine archaeology. Biblical archaeology studies archaeological sites from the Ancient Near East and especially the Holy Land, from biblical times. Biblical archaeology emerged in the late 19th century, by British and American archaeologists, with the aim of confirming the historicity of the Bible. Between the 1920s, right after World War I, when Palestine came under British rule and the 1960s, biblical archaeology
