Doug TenNapel~~

The latest graphic novel from Doug TenNapel proves once again that a full story can be told in pictures, and that it can be as affecting and detailed as it could be in book form. Though not as delicately handled or as deeply moving as Ghostopolis, his last offering, Bad Island is fun, charming, intricate, and complex. It's the story of a family that goes, against their will, on vacation together in an attempt to fix the problems they've been having.

I have reviewed other TenNapel
books. I taught English for a number of

Where To Download Bad Island Doug Tennapel

years, and TenNapel's books were frequently checked out. Most of them are appropriate for a variety of audiences, they are bold and vibrant in the way the artwork appears, and Bad Island is no exception. Recommended for classroom libraries, and your personal library.
