West of Theft, on a vast stretch of ocean known as the Wastes, the free-ship Suncurl pilots its way along the Lees of Laughter's end, away from the city of Lamentable Moll. Aboard the ship, three passengers have become the subject of the crew's gossip: the luckless manservant Emancipor Reese, and his masters, the homicidal necromancers known as Bauchelain and Korbal Broach. But a bizarre force pursues them along the cursed sea-lane known as Laughter's End, even as an arcane thing awakens aboard the Suncurl. What secrets do the captain and her First Mate conceal from the rest of the crew? What lurks in the darkness of the ship's hold? And what of the eunuch's strange behavior... or his frightening offspring? The intrepid necromancers Bauchelain and Korbal Broach - scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent and modest personifications of evil - have a lot to answer for and answer they will, but first they must lie, murder and cheat their way through three more escapades in some of the harsher fringes, deprived wastelands and impoverished communities of the Malazan Empire. Much to the shame of their long-suffering general factotum, Emancipoor Reese... Here then - for readers' delectation and entertainment - are those escapades, namely the novellas *The Wurms of Blearmouth*, *The Crack'd Pot Trail* and *The Fiends of Nightmaria* . . .

It is an undeniable truth: give evil a name and everyone's happy. Give it two names and...why, they're even happier. Intrepid necromancers Bauchelain and Korbal Broach, scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent,

and modest personifications of evil, have a lot to answer for and answer they will. Known as the Nehemoth, they are pursued by countless self-professed defenders of decency, sanity, and civilization. After all, since when does evil thrive unchallenged? Well, often—but not this time. Hot on their heels are the Nehemothanai, avowed hunters of Bauchelain and Korbal Broach. In the company of a gaggle of artists and pilgrims, stalwart Mortal Sword Tulgord Vise, pious Well Knight Arpo Relent, stern Huntsman Steck Marynd, and three of the redoubtable Chanter brothers (and their lone sister) find themselves faced with the cruelest of choices. The legendary Crack'd Pot Trail, a stretch of harsh wasteland between the Gates of Nowhere and the Shrine of the Indifferent God, has become a tortured path of deprivation. Will honor, moral probity, and virtue prove champions in the face of brutal necessity? No, of course not. Don't be silly. The Fiends of Nightmaria is a new novella from New York Times bestselling author Steven Erikson, set in the world of the Malazan Book of the Fallen. The king is dead, long live King Bauchelain the First, crowned by the Grand Bishop Korbal Broach. Both are, of course, ably assisted in the running of the Kingdom of Farrog by their slowly unravelling servant, Emancipor Reese. However, tensions are mounting between Farrog and the neighboring country of Nightmaria, the mysterious home of the Fiends. Their ambassador, Ophal D Neeth Flatroq, seeks an audience with King Bauchelain, who has thus far rebuffed his overtures. But the necromancer has some other things on his plate. To quell potential rebellion nearly all the artists, poets, and bards in the city have been put to death. A few survivors languish in the dungeons, bemoaning their fates. Well, just moaning in general really...and maybe plotting escape and revenge. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

All is not well in Lamentable Moll. A sinister, diabolical killer stalks the port city's narrow, barrow-humped streets, and panic grips the citizens like a fever. Emancipor Reese is no exception, and indeed, with his legendary ill luck, it's worse for him than for most. Not only was his previous employer the unknown killer's latest victim, but Emancipor is out of work. And, with his dearest wife terminally comfortable with the manner of life to which she asserts she has become accustomed (or at least to which she aspires) -- for her and their two whelps -- all other terrors grow limp and pale for poor Emancipor. But perhaps his luck has finally changed, for two strangers have come to Lamentable Moll... and they have nailed to the centre post in Fishmonger's Round a note requesting the services of a manservant. This is surely a remarkable opportunity for the hapless Emancipor Reese... no matter that the note reeks with death-warded magic; no matter that the barrow ghosts themselves howl with fear every night; and certainly no matter that Lamentable Moll itself is about to erupt in a frenzy of terror-inspired anarchy....
