This book deals  
with a topical  
issue relating

# Access PDF Bundle

to the advanced use of Word script in Japan, one which has the potential to reshape future script policy through the mediation of both orthographic practices and social relations. It tells the story

of the impact of  
one of the most  
significant  
technological  
breakthroughs in  
Japan in the  
latter part of  
this century:  
the invention
