Presents the contemporary classic depicting the struggles of a U.S. airman attempting to survive the lunacy and depravity of a World War II base

For use in schools and libraries only. Set during World War II, this grotesque, comic novel recounts the amazing adventures of a bomber squadron.

Catch-22 is like no other novel. It is one of the funniest books ever written, a keystone work in American literature, and even added a new term to the dictionary. At the heart of Catch-22 resides the incomparable, malingering bombardier, Yossarian, a hero endlessly inventive in his schemes to save his skin from the horrible chances of war. His efforts are perfectly understandable because as he furiously scrambles, thousands of people he hasn't even met are trying to kill him. His problem is Colonel Cathcart, who keeps raising the number of missions the men must fly to complete their service. Yet if Yossarian makes any attempts to excuse himself from the perilous missions that he is committed to flying, he is trapped by the Great Loyalty Oath Crusade, the hilariously sinister bureaucratic rule from which the book takes its title: a man is considered insane if he willingly continues to fly dangerous combat missions, but if he makes the necessary formal request to be relieved of such missions, the very act of making the request proves that he is sane and therefore ineligible to be relieved. Catch-22 is a microcosm of the twentieth-century world as it might look to some one dangerously sane -- a masterpiece of our time.

A fiftieth anniversary edition of Catch-22, one of the twentieth century's most revered novels.

NATIONAL BESTSELLER Was one of the most unheralded captains of the Toronto Maple Leafs also one of the greatest players in the history of hockey's most popular team? In telling his story of turmoil in Toronto's Ballard years (and with Don Cherry's Mississauga Ice Dogs), growing up in an environment filled with alcohol and alcoholism, and his own struggles and battles, Rick Vaive finally sets the record straight. In the storied history of the Toronto Maple Leafs, no player scored fifty goals in a season until Rick Vaive in 1981-82. He did it three years in a row (only two others have scored 50 since) before being unceremoniously stripped of his captaincy and traded out of town, and he did it for a promising team that was nonetheless largely stuck at the bottom of the standings. So why isn't his number 22 hanging from the rafters of the Leafs' rink and his name as revered in Leafs lore as Gilmour, Sundin and Clark? You could blame it on a team that lost far more than it won. You could blame Harold Ballard and his erratic ownership. You could blame the fans, the media...Rick Vaive doesn't blame anybody. Sometimes, life just doesn't go your way. He'd know. Growing up in a household plagued by alcoholism, the gifted young hockey player took shelter in the company of his grandmother and a blind and severely disabled uncle. Rick learned quickly that there are more valuable things in life than hockey. Even after his promising coaching career stopped dead when it ran into Don Cherry in Mississauga--one of the worst seasons in Ontario junior hockey. history--he still doesn't point fingers. Life is too sweet for regrets, but learning that lesson can be one hell of a ride.

The real-life companion to the literary classic—written and illustrated by the daughter of the 340th Bomb Group's commander, Catch-22's Col. Cathcart. After the publication of his bestselling novel Catch-22's Col. Cathcart. After the publication of his actual war mates. However, to those who served with Heller in the 340th Bomb Group, the novel's characters were indeed recognizable—the hard-drinking, vengeful, and disillusioned Chief White Halfoat; young, sliced-in-half Kid Sampson; shrieking, frenzied Hungry Joe; Col. Cathcart; Gen. Dreedle; Yossarian; and that capitalist supreme, Milo Minderbinder. In this book, written and colorfully illustrated by the daughter of the 340th Bomb Group's commander, Col. Willis Chapman, we finally encounter the real men and combat missions on which the novel was based. While Heller's fully developed characters stand solely, solidly, and uniquely on their own merits, The True Story of Catch-22 proves that any resemblance to persons living or dead is, in fact, actual. This three-part book blends fact, fancy, and history with full-blown original illustrations and rare, previously unpublished photos of these daring USAAF flyers and their Corsica-based B-25 Mitchell. Along with descriptions of the 340th's real wartime experiences, the work includes twelve men of the Bomb Group relating richly told tales of their own. "In these pages it is a great pleasure to finally see the real story behind the fictionalized account, and to be even more impressed." —Scott Carpenter, NASA astronaut "Heller's satiric caricatures are here shown to have stemmed from patriotic, courageous, highly decorated airmen who daily performed heroic wartime feats against overwhelming obstacles." —Library Journal

A darkly comic and ambitious sequel to the American classic Catch-22. In Closing Time, Joseph Heller returns to the entire generation that fought in World War II: Yossarian and Milo Minderbinder, the chaplain, and such newcomers as little Sammy Singer and giant Lew, all linked, in an uneasy peace and old age, fighting not the Germans this time, but The End. Closing Time deftly satirizes the realities and the myths of America in the half century since WWII: the absurdity of our politics, the decline of our society and our great cities, the greed and hypocrisy of our business and culture -- with the same ferocious humor as Catch-22. Closing Time is outrageously funny and totally serious, and as brilliant and successful as Catch-22 itself, a fun-house mirror that captures, at once grotesquely and accurately, the truth about ourselves.
