Community Unit School District 200 / Overview

This program features enhance the easy-to-read text and eye-catching images that invite students to explore the history of the world and its people. Features : Exclusive! An all-new Reference Atlas from the National Geographic Society helps students make the important history-geography connection. Standardized Test Practice in every unit lets students practice skills and master test-taking strategies throughout the year. Primary Source Library, correlated to every unit, provides students with the opportunity to learn from journals, speeches, artifacts, and more. Every section and chapter review includes a Graphic Organizer to help students grasp the big ideas. The Chapter Assessment connects World History to other social studies disciplines so students can understand the interrelationships. Technology Skills, Geography Skills, and Critical Thinking Skills give students what they need to succeed in tomorrow's world.

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

World History: Patterns of Interaction © 2012 is a highly integrated, high school world history textbook program with enhanced HISTORY® curriculum that provides teachers with a practical and motivational approach to help students think critically and reflectively. Together, HMH & HISTORY® infuse social studies with streaming video and interactive features that bring content to life for students and help them make connections between the past and present. Meeting the needs of all learners is no easy task. This is why Houghton Mifflin Harcourt created World History: Patterns of Interaction. Designed to engage students with the narrative while integrating rich multimedia assets, the program brings content to life for students and enriches their understanding. - Publisher.

"On the basis of a superficial inspection, Traditions & Encounters might look similar to several other textbooks that survey the world's past. Like other books, for example, Traditions & Encounters examines the historical development of societies in Asia, Europe, Africa, the Americas, and Oceania. Yet Traditions & Encounters differs from other works in two particularly important ways. First, it relies on a pair of prominent themes to bring a global perspective to the study of world history: it traces the historical development of individual societies in all world regions, and it also focuses attention systematically on interactions between peoples of different societies. Second, it organizes the human past into seven eras that represent distinct and coherent periods of global historical development"--Preface (Page xvi).

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

VOYAGES IN WORLD HISTORY, BRIEF EDITION, masterfully uses the theme of movement?the journeys of peoples, ideas, and goods?to help students make sense of the huge range of people, places, and events throughout history. Each chapter is framed around the story of a person who traveled within the time period and region under discussion. Students can practice being critical readers by evaluating the traveler's observations and attitudes. A primary source feature, "Movement of Ideas," helps students develop the core skill of analyzing sources by allowing them to compare multiple explanations of significant ideas. This brief text meets the needs of instructors who want a lively narrative style without sacrificing the themes and pedagogy that make world history understandable to students; it is also ideal for instructors who want to supplement a text with many primary sources. Available in the following options: VOYAGES IN WORLD HISTORY, BRIEF EDITION, 2nd Edition (Chapters 1?32); Volume I: To 1600 (Chapters 1?16); Volume II: Since 1500 (Chapters 15?32). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
