Designed to help you understand how to set and achieve clear-cut goals while also learning how and why this process can contribute to greater contentment.

The science of positive psychology meets the science of goal accomplishment! Creating Your Best Life breaks new ground in revealing how happiness and success are interconnected. With dozens of interactive exercises and quizzes, it helps readers identify their most cherished needs, ambitions, and wishes. The authors' unique "life list coaching" explains how to set goals in 16 key areas—from love, family, and health to work, self-esteem, and creativity—that inspire people to live their lives more consciously, productively, and joyfully.

Designed to help you understand how to set and achieve clear-cut goals while also learning how and why this process can contribute to greater contentment.

Have you ever wondered why life seems so easy for some people? They seem confident and in control, they have great jobs, happy relationships and really love life. Why do these people radiate success? How did they create such dream lives? And how can you create a dream life of your own? It s simple Know where you want to be. Know what you need to do. And do it! In Your Best Life Domonique Bertolucci will show you how to bring these simple statements into being to create a detailed plan of action, build motivation and staying power and make the life you want. Each chapter will include exercises, case studies and lessons to help you overcome obstacles and work through the tough times so you can live your dreams.

Knowingly or unknowingly, we all want to be happy. In all aspects of our lives, the pursuit of happiness is one of our deepest human desires, whether in love, family, business or community. Have you ever wondered how to pinpoint the source of happiness and how to create it for yourself? What if there were a clear road map to happiness, would you follow it? Creating Happiness outlines a step-by-step approach to create happiness for yourself and those around you by giving you the tools to navigate the maze of life. It presents an entirely fresh look at how you can influence your own destiny and improve your life. Most of us seek happiness without really understanding how it is generated, and therefore it randomly shows up inconsistently throughout our lives. Those who understand that they are responsible for their own destiny may get a glimpse of happiness now and then, but very few really understand the mechanics behind the process. Whether you're a CEO or at the start of your career, Creating Happiness covers how to create happiness at work, at home and with your loved ones. A concise and practical guide, Creating Happiness shows us how to easily re-shape the subconscious mind toward a positive attitude. It's a no-nonsense, easily-implemented approach to achieving the ultimate goal ... a happy life.

Build Your Best Life, "Understanding the Power of Your Actions and Your Credibility To Build Your Best Life" came out of a passion for assisting youth and young adults overcome the obstacles society throws their way. Obstacles come in all forms, such as murder, suicide, depression, bullying, generational curses, finances, lack of role models, hunger, and lack of education. These are only some of the roadblocks that deter young people. Whatever causes them to pause is indeed an obstacle. I for, one, would like to see these obstacles eliminated. These individuals have tremendous talents and skills to share with the world. This book contains life principles that are relevant and will assist them to be the best they can be. As you read through his book and meditate on the principles, you will realize what is necessary to reach your impossible dreams, "As you travel on the road to Building a Better Life," there will be distractions, pitstops, rough terrain, and detours. Ignore each of these negative aspects of your journey. Although they may slow you down, remain on the path of Being a Better You."

Imagine your life as a simple room with four walls. Who are you letting in and who are you kicking out? Can you imagine living a better life? Would you like to surround yourself with more supportive people? There's hope! You see, the quality of your life depends on the people in your life.THE SIMPLE AND POWERFUL IDEAS IN THIS BOOK CAN CHANGE YOUR LIFE FOREVER.Who's in Your Room? introduces you to the concept of your life being like a room—a room where anyone who enters affects your life . . . forever. Although this concept may sound frightening, this book gives you the tools and exercises you need to take control of your room and live the life you desire.This book brings in experts to describe how people leave you with memories that cannot be erased but can be managed. You manage them by determining what's really important to you, and then you can determine how to spend your time and whom you should be spending it with. Stop living according to everyone else's rules. Shape your life by taking control of your room. Live your life by your design!

Do you desire to live your best life? Are you lacking a system that inspires you to do and be your best in all aspects of your life? This book will guide and inspire you to make five critical life choices that will lead you to live your best life. Learn daily thoughts and actions you can incorporate in a sustainable manner. Everything you need to live your best life resides within you. All you need to do is consistently make these five choices and you will succeed. Today is the perfect day for starting your journey towards living YOUR best life!

Grow Your Grit—How You Can Develop the Critical Ingredient for Success Grit—defined as our perseverance and passion for long-term goals—is now recognized as one of the key determinants for achievement and life satisfaction. In an age that provides us with a never-ending stream of distractions and quick-and-easy solutions, how do we build this essential quality? "This book is designed to help you screen out the spam of life and cultivate authentic grit in every setting," writes Caroline Miller. With Getting Grit, this bestselling author brings you an information-rich and practical guide for developing the qualities needed to persevere over obstacles—not just toughness and passion, but also humility, patience, and kindness. Join her as she shares research-based insights and practices on: • Learning grit—how you can enhance your willpower and rewire your brain for resilience • The key traits of gritty people—what the latest research reveals • The three kinds of "false grit" and how to recognize them in yourself • The courage to fail—tools for turning your setbacks into your greatest teachers • Daring to dream big—guidance for building your capacity to take risks and aim higher • No one succeeds alone—tips for gathering your support team and inspiring others • The role of self-compassion, gratitude, and spirituality in building grit "I've come to believe that gritty behavior is a positive force that does more than help us rise to our own challenges," writes Caroline Miller. "When we embody the best qualities of grit, we become a role model for others who want to become better people, and help them awaken greater possibilities for themselves." Whether you're seeking to grow beyond your limits at work, at home, on the sporting field, or in any leadership role, Getting Grit is a powerful resource to help you bring out the qualities that will help you succeed and thrive.
