The story of an Australian girl who defied convention and became the most famous singer of her era. Growing up in Melbourne, Nellie Mitchell dreamed of fame, but her devout father disapproved. When a chance arose to go to Paris, she trusted in her musical talent and hoped for a lucky break. Within a few years, reborn as Nellie Melba, she was

performing to overflowing concert halls, hobnobbing with European royalty and collaborating with some of the most renowned composers of the age. Audiences swooned over the 'heavenly pleasures' of her voice, while the public showed an insatiable appetite for news of her sometimes passionate private life. Dame Nellie Melba was Australia's first international superstar. In this important biography, enhanced by new research, Ann Blainey captures the exuberance, controversy and pathos of Melba's remarkable career. Winner of the 2009 National Biography Award. Shortlisted, 2008 Age Book of the Year Awards. 'Blainey ... writes with clarity and panache. This is an entertaining biography. Everyone should read it and be reminded of what a remarkable singer we once had in our midst.' —Sydney Morning Herald 'There have

been five biographies of Melba, together with her own rather fanciful memoirs; but the present one by Ann Blainey is superior to them all.' —The Age 'Thoroughly researched, excellently written and beguilingly human biography of Nellie Melba' —Australian Book Review 'Blainey brings a freshness to the story, giving us the feeling that we are reading about a life in progress.' —Good Reading 'Welcome and timely, shedding new light on the diva' —Courier Mail 'This is a gripping story of triumph and sorrow.' —Sun-Herald 'Meticulously researched biography' —The Australian Ann Blainey is the author of I Am Melba. She has written five biographies, and her most recent biography of Dame Nellie Melba reflects her fascination with singing and opera. She has served on the council of two Australian opera companies

Modern Marriage and Its Cost to Women examines the price women have to pay for marriage, socially and culturally. Its basic premise reunites feminist theory and the work of Pierre Bourdieu, and it is supported by data from the numerous quantitative and qualitative studies that have been carried out in France. Rejecting a separation of family studies and gender studies, Francois de Singly offers a systematic framework to explain how the manner in which the contemporary family functions penalizes women by preventing them from defending properly their social interests and their academic capital.

Nobody sings like Melba, and nobody ever will, proclaimed

the impresario Oscar Hammerstein in 1908. Like many others of his time, he considered her the world's greatest singer. The wild acclaim showered on her by American fans led to the coining of the word Melbomania. Year after year she toured America on the Melba train, bringing opera and concerts to out-of-the-way cities and towns; thanks to the new gramophone, she could also be heard in the remotest locales. Ann Blainey's beguiling life of Nellie Melba tells the story of a woman who-in an era when no woman was prime minister, chief justice, head of a church or financial firm, or a universal film star-became perhaps the most famous woman in the world. Ms. Blainey's Marvelous Melba punctures many of the myths surrounding Melba's life and career, and offers a new portrait of the great diva.

CONSUMED is a high-energy free-fall through the twisted inner sanctums of Seattle's high-tech elite. In the center is Byron Wells, head of Digitron's Virtual Reality division. He's brilliant, conniving, fifthly rich... and out of the picture by the end of Chapter One. Enter Less McKee. A divorce attorney who hates divorce, Les is a devoted family man who can't sweep Byron's wife from the darkest corner of his heart. While reading on his deck one perfect Sunday, he photographs a magnificent hot air balloon as it prepares to land nearby. Without warning, it explodes in a horrific ball of flames. All on board, including Byron, are killed. His mysterious client, Beverly, is Byron's seductive, alluring but soon to be ex-wife. From the time they were college

sweethearts, Beverly has been a part of his life, though he chose to tie the knot with her best friend. He handled her gut-wrenching first divorce from a shady nightclub owner who won't stop haunting him. And now her multi-million dollar second divorce from Byron Wells has erupted into a massive murder investigation. Byron had been grabbing headlines for a year, embroiled in litigation and accused of conspiring to join forces with Akira Nakamura, another defector from the Japanese-based Vortex Video Games. As Les investigates, he catapulted into the shark-infested waters of cutting-edge technology. Along the way he finds himself accused of murder. Six men are dead, forty-four million dollars have vanished, and international manhunt is underway and the evidence point to Les. With each reluctant step, deeper into
