6, Chapter 7, Section 2, Subsection 7, Concrete Bridge Decks ... United Kingdom Department for Transport (UKDOT), Design Manual for Roads and Bridges, Volume 2, High- way Structures (Sub Structures ...

Waterproofing Membranes for Concrete Bridge Decks

Natural organic matter (NOM) is known to affect the microbial reduction and transformation of ferrihydrite, but its implication toward cadmium (Cd) associated with ferrihydrite is not well-known. In ...

Effect of Natural Organic Matter on the Fate of Cadmium During Microbial Ferrihydrite Reduction

The results for this phase of research are in Section 2. A final phase of research measured the effect of carbon concentration and iron bioavailability on surface bound iron reduction kinetics and ...

OSTI.GOV Technical Report: Hydrogen as an Indicator to Assess Biological Activity During Trace-Metal Bioremediation

Unfortunately, this book can't be printed from the OpenBook. If you need to print pages from this book, we recommend downloading it as a PDF. Visit NAP.edu/10766 to get more information about this ...

Electrochemical Test Methods to Evaluate the Corrosion Potential of Earthen Materials

Sections were examined using a Leica DMRB microscope (x 40 ... and at the 9 mo time point (right panel; comparison with 2 way ANOVA; significant interaction was found: n=11 for WT Sed, n=7 for MF Sed, ...

Cardiovascular Benefits of Moderate Exercise Training in Marfan Syndrome: Insights From an Animal Model

1 Department of Pathology, Free University Medical Center, De Boelelaan 1117, 1081 HV Amsterdam, The Netherlands 2 Department of Pulmonary Diseases, Free University Medical Center 3 Department of ...

Multidrug resistance related molecules in human and murine lung

Electrobiotechnology towards Sustainable Bioeconomy: Fundamental, Optimization and Applications View all Articles The editor and reviewers' affiliations are the latest provided on their Loop research ...

Frontiers in Bioengineering and Biotechnology

The following measurements were obtained: End-systolic diameter (ESD) and end-diastolic (EDD) diameter in a cross section, ESD and EDD at 2 different sites of a longitudinal ... Stained tissue was ...

Novel Injectable Bioartificial Tissue Facilitates Targeted, Less Invasive, Large-Scale Tissue Restoration on the Beating Heart After Myocardial Injury

TRPV1 immunostaining was visualised with a Leica DMRB/DM4000 B fluorescence microscope ... Samples were homogenised in 2 mL NaCl-EDTA-Tris (NET) buffer (150 mM NaCl, 3 mM EDTA, 50 mM Tris, pH 7.4) ...

Increased function of pronociceptive TRPV1 at the level of the joint in a rat model of osteoarthritis pain

The collimation cross-section was ... and 5 mM LDAO, pH 7.5. The resulting mixture was incubated on ice for 20 min before gradual addition, over 2 min, to ice-cold 50 mM Tris:HCl, 10 mM KCl, and 10 mM ...
