Family and Friends 3 Testing and
Evaluation Book ebook pdf ...
The Friends and Family Test (FFT)
is an important feedback tool that
supports the fundamental
principle that people who use
NHS services should have the
opportunity to provide feedback
on their experience. Listening to
the views of patients and staff
helps identify what is working
well, what can be improved and
how.

Friends and Family Test (FFT) The
NHS Friends and Family Test
(FFT) was created to help service
providers and commissioners
understand whether patients are
happy with the service provided,
or where improvements are
needed. It's a quick and
anonymous way to give your
views after receiving NHS care or
treatment.
