Accountants have historically had an important role in the detection and deterrence of fraud. As Joe Wells' Principles of Fraud Examination 4th edition illustrates, fraud is much more than numbers; books and records don't commit fraud - people do. Widely embraced by fraud examination instructors across the country, Principles of Fraud Examination, 4th Edition, by Joseph Wells, is written to provide a broad understanding of fraud to today's accounting students - what it is and how it is committed, prevented, detected, and resolved. This 4th edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff;a growing threat for many entities as commerce increasingly crosses technological and geographical borders.

Learn to identify, detect, investigate, and prevent financial fraud today with the latest edition of FRAUD EXAMINATION, 5E. You study and gain a strong understanding of the types of fraud and nature of fraud investigation today with current business examples and numerous actual fraud cases, delivered first-hand from the authors' experience. The text serves as a comprehensive and authoritative resource for teaching forensic accounting concepts and procedures that is also and appropriate and pedagogically ready for class room use. This easy to read, comprehensive textbook includes case study examples to clearly explain technical concepts and bring the material to life.

A practical advantage for entry-level fraud examiners with start-to-finish casework Fraud Examination Casebook with Documents provides critical practice for students and new CPAs; criminal and insurance investigators; and attorneys seeking additional guidance on real-world fraud investigation. With five cases that include over 100 pages of documentation, this guide helps you put your conceptual knowledge to work as you conduct full-length Fraud Examinations from predication through report. Short instructional narratives guide you through tools like horizontal and vertical analysis, report writing, and other important tasks, while Excel templates streamline the process and kick start your investigation. Multiple-choice questions help you gauge your understanding and practical mastery, while expert guidance throughout prompts you to draw on your existing knowledge and apply it to casework. With a focus on asset misappropriation and financial statement fraud, these cases provide highly relevant experience for real-world practice. Learning concept isn't always enough to do the job effectively; "knowing" is different from "applying," yet few practical resources exist for new and aspiring fraud examiners until now. This book provides the much-needed practice that helps examiners polish their skills, with expert guidance every step of the way. Conduct actual Fraud Examinations Perform horizontal and vertical analyses Review checks and decode debit card transactions Examine adjustments to electronic records Perform simple forensic data analytics Vouch to/from documentation Write complete Fraud Examination reports Prepare court-ready schedules and audio-visuals As you work your way through the cases, you'll develop the skills and instinct experienced examiners rely upon every day. You'll hone your analytical edge and master the essentials of report writing, leaving you fully equipped to conduct a thorough investigation and deliver your findings clearly, comprehensively, and authoritatively. Fraud Examination Casebook with Documents is a vital resource for students and new fraud examiners seeking a practical advantage in real-world skills.

Learn to identify, detect, investigate and prevent financial fraud today with Albrecht/Albrecht/Albrecht/Zimbelman's FRAUD EXAMINATION, 6E.
