IN STROKE OF LOVE... Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world--and love her to the ends of the earth. **BONUS** Includes the first chapter (sneak peek) of Flames of Love (The Remingtons) STROKE OF LOVE is part of the Love in Bloom series. Enjoy heart-meltingly beautiful and toe-curlingly sexy romance in Tempted by Love, an emotionally riveting story about a man who has lost it all and carries a torturous secret, a divorced single mother who has everything to lose, and the little girl who helps them heal. Fall in love on the sandy shores of Silver Island, home to coffee shops, boat races, midnight rendezvous, and the sexy, sharp-witted Steeles. They have a penchant for pranks, a passion for loyalty, and a trunk full of secrets. In TEMPTED BY LOVE... Years ago, bestselling author Jack "Jock" Steele lost his girlfriend and baby in a horrific accident that drove a wedge between Jock and his family, keeping him from sharing a devastating secret. An aging philanthropist saved him from the brink of despair, and for a decade Jock cared for his ailing friend who became his family. Now his friend has passed away and left him a fortune--on the condition that he publishes another book. Jock is floundering, unsure how to rebuild the life he'd walked away from, much less find his muse, have another relationship with a woman, or even think about having a family of his own. But he can't get his sweet, sexy new friend, single-mother Daphne Zablonksi out of his head, and her adorable toddler must know something he doesn't, because she wraps her tiny fingers around his heart and won't let go. Daphne has been through the wringer with her ex-husband and doesn't believe true love is in the cards for her. Friends she can handle, but letting a man see her mom bod naked? Especially someone as strikingly handsome and unbelievably sexy as Jock? No, thank you. Besides, she has a toddler to chase after and enough fictional boyfriends to fill her lonely nights. If only her book boyfriends could make her body tingle the way one look from her mysterious neighbor does. As Jock and Daphne's friendship turns to something too tempting to deny, their lives take an unexpected turn. Can a man who has lost everything find redemption with a woman who has everything to lose? And then there's that secret... More Steeles at Silver Island are coming soon! Months later fate steps in when a chance encounter brings Ty and Aiyla together for a five-day wilderness event held in the Colorado Mountains. Their deep, passionate connection is stronger than ever, and Ty is bound and determined not to lose her again. Bestselling author Kurt Remington lives to write. He spends twelve hours a day in front of his computer, rarely leaving the seclusion of his beach-front property, where he's come to finish his latest thriller--that is, until free-spirited Leanna Bray nearly drowns in the ocean trying to save her dog. Kurt's best-laid plans are shot to hell when he comes to their rescue. Kurt's as irritated as he is intrigued by the sexy, hot mess of a woman who lives life on a whim, forgets everything, and doesn't even know the definition of the word organized. Leanna's come to the Cape hoping to find a fulfilling career in the jam-making business, and until she figures out her own life, a man is not on the menu. But Leanna can't get the six-two, deliciously muscled and tragically neat Kurt out of her mind. She tells herself she's just stopping by to say thank you, but the steamy afternoon sparks a wild and sexy ride as Kurt and Leanna test the powers of Chemistry 101: Opposites Attract. ***WANT MORE REMINGTONS?
