God's Undertaker: Has Science Buried God? - Kindle edition ...
Some commentators claim that science has finally killed the concept of God by virtue of its own all-encompassing explanations of reality. Atheism, they say, is the only intellectually tenable position, and any attempt to reintroduce God is likely to impede scientific progress. In this stimulating and thought-provoking book, with impeccable logic, irrefutable documentation, and extraordinary ...

God's Undertaker: Has Science Buried God? - John C. Lennox ... Lennox begins *God's Undertaker* by making a critical distinction between science and materialist/naturalist philosophy that, in and of itself, provides a resounding response in the negative to the question posed in the book's subtitle (*Has science buried God?*). Lennox explains that science in an uncontaminated form seeks exclusively to explore the universe by examining its physical properties and apparent laws without making claims about what might or might not exist beyond its own domain.
