We strongly believe that graphic design has a valuable role in all phases of architectural and property development projects. Good design helps architects pitch their concepts better, helps developers market their projects smarter, and helps real estate teams sell their properties faster. In the following course we follow the standard timeline of an architectural project and break it into three key phases.

Fresh from designing their own building in Amsterdam, Thonik's Nikki Gonissen and Thomas Widdershoven discuss what sets graphic designers apart from architects and what that could mean for a more collaborative future. By Emma Tucker 06/08/2020. 12:05 pm. "It's a big step from graphic design to architecture, but it's only a step," says Thomas Widdershoven, co-founder of Dutch studio Thonik, which has just moved into a self-designed studio on Amsterdam's Wibautstraat.
