increases prana (life energy) Prana (life energy) is the basis of health and well-being for both, the body and mind. You can gain prana through meditation. When your body is alive with more prana, you feel alert, energetic, and full of life. Lack of prana results in lethargy, dullness, and low enthusiasm levels.

past, not too distant, people believed that every flower or tree is protected by a spirit, and above them are others and others, in a well-founded and perfectly logical hierarchy for those times. This is also the reason why many peoples worshipped local dawns or deities, whose purpose was to protect the truth and existence of all souls embedded in humans, animals, or plants.

It sounds like science fiction, but more and more people are tapping into the healing power of the mind. Bill Moyers brought this topic to light in a big way with his best-selling *Healing and the Mind*, but that was just an overview. For step-by-step instructions, you can turn to Tulku Thondup's *The Healing Power of the Mind*. Thondup, Tibetan Buddhist monk since the age of five and Harvard scholar, says that in the Tibetan tradition the mind is the
