Between Lake And Woods

‘ An immense work
of love and anger, a
book Bram Presser
was born to write. ’
Joan London They
chose not to speak
and now they are
gone...What ’ s left to
fill the silence is no
longer theirs. This is
my story, woven from

Access Free In The House

the threads of rumour
and legend. Jakub
Rand flees his village
for Prague, only to
find himself trapped
by the Nazi
occupation. Deported
to the Theresienstadt
concentration camp,
he is forced to sort
through Jewish books
for a so-called
Museum of the
Extinct Race. Hidden

Access Free In The House

Among the rare texts
is a tattered prayer
book, hollow inside,
containing a small
pile of dirt. Back in
the city, Františka
Roubíková picks
over the embers of
her failed marriage,
despairing of her
conversion to
Judaism. When the
Nazis summon her
two eldest daughters

Access Free In The House

for transport, she must sacrifice everything to save the girls from certain death. Decades later, Bram Presser embarks on a quest to find the truth behind the stories his family built around these remarkable survivors. The Book of Dirt is a completely original novel about love,

Access Free In The House

family secrets, and Jewish myths. And it is a heart-warming story about a grandson 's devotion to the power of storytelling and his family ' s legacy.

Bram Presser was born in Melbourne in 1976. His stories have appeared in Best Australian Stories, Award Winning

Access Free In The House

Australian Writing,
The Sleepers Almanac
and Higher Arc.

‘ The lyrical,
impassioned and
culturally rich prose
of The Book of Dirt,
and its moral force,
bears echoes of such
great Jewish writers
as Franz Kafka
(Presser inherited his
grandfather ’ s copy
of The Trial), Elie

Access Free In The House

Wiesel, Primo Levi,
Isaac Bashevis Singer
and Cynthia Ozick...It
is a major book, and
one for the times:
while I was reading it,
neo-Nazis in America
brought fatal violence
to Charlottesville,
and, in Melbourne,
neo-Nazis placed
posters in schools
calling for the killing
of Jews to be

Access Free In The House

legalised...The Book
of Dirt is a
courageous work, as
necessary for us to
read as it was for
Presser to write. '

of the Extinct Race.

Such details, like
lightning flashes,
illuminate this
audacious work about
the author ' s search
for the grandfather
he loved but hardly
knew. Working in the
wake of writers like
Modiano and Safran

Access Free In The House

Foer, Presser

brilliantly shows how
fresh facts can derail
old truths, how fiction
can amplify memory.

A smart and tender
meditation on who we
become when we
attempt to survive
survival. ' Mireille
Juchau ' The Book of
Dirt is a grandson ' s
tender act of
devotion, the product

Access Free In The House

of a quest to rescue family voices from the silence, to bear witness, drawing on legend, journey and history, and shaped by extraordinary storytelling. ' Arnold Zable ' A remarkable tale of Holocaust survival, love and genealogical sleuthing...A beautiful tale that will stay with

Access Free In The House

the reader long after
the book 's end. ' Books+Publishing
' It ' s hard not to be
captured from the
opening epigraph...[A]
magnificent ode to all
that is lost. ' Longin
to Be ' It is difficult
to convey the breadth
and nuance of this
extraordinary work. It
is a book about how
history is made—and

Access Free In The House

about who is allowed
the privilege to
remake it. There are
echoes here of
Sebald's biting
honesty and
Chabon's long and
rewarding vignettes.
An absolute pleasure
to read. ' Readings
' As in Sebald's
prose narratives,
Presser's novel
inhabits and the

Access Free In The House

dynamic region
between fiction and
non-fiction. ’

Australian Book

Review ‘An

impressive and
captivating story of
remembrance, a
journey into the past
for the sake of

Drndic ‘ In The Book
of Dirt the fractured

Access Free In The House

lines of memory
create a gripping
story of survival and
love. ' Leah

Kaminsky ' I found
Bram Presser ' s The
Book of Dirt
impossible to forget.
Penetrating, soulful,
and surprisingly
welcoming, it
reminded me of my
own ancestors and
how easy it is to

Access Free In The House

sidestep the past. ’

Barry Scott,
Australian Book
Review, 2017

Publisher Picks

‘ Presser blurs the boundaries of fact and fiction in a compelling way...A wonderful and original book, told in rich, lyrically beautiful prose that is laden with history

Access Free In The House

and cultural
meaning. ' Good
Reading ' A
combination of
homage, mystery,
family history and a
sepia-toned love
story...The Book of
Dirt is magnificent. '
ANZ LitLovers ' A
heartfelt and original
attempt to bridge the
ever-growing gaps
between history,

Access Free In The House

memory and
silence...Its heart
beats so earnestly,
and so loud...What
Presser has produced
is a meditation on the
ethics of storytelling,
of the duties we owe
to the people whose
stories we tell, and to
the people whose
stories we don ' t .
Australian ' Always
surprising and

Access Free In The House

beautifully complex,
and both deft and
sensitive in its
handling of its
intertwined narratives
and materials. It is an
incredibly affecting
book, one that lingers
long after
reading—and a
remarkably assured
debut. ' Age ' A
gripping tale of
survival and an

Access Free In The House

absorbing
novelisation of his
family ' s
extraordinary
lives...Presser fills in
the gaps in his
grandfather ' s story
with vivid character
studies; together with
poignant black and
white snapshots, he
brings them
evocatively to life. His
poetic narrative is a

Access Free In The House

perfect foil for the
silences of his
forbears. ’

Toowoomba

Chronicle ‘ The Book
of Dirt is both a
loving, honest
portrayal of lives that
would have been
erased, and an
incorporation of the
broader lessons of
their experience into
contemporary

Access Free In The House

mythology. It keeps the discussion about trauma, memory, and intergenerational acts of transfer alive for those generations that follow, that risk forgetting. It is a potent achievement for a debut novel. ' Sydney Review of Books

Dirt is a story about
Page 57/100

Access Free In The House

the places where we
start. From a single-
wide trailer in the
mountains of rural
West Virginia to the
halls of Yale Law

School, Mary
Marantz's story is one
of remembering our
roots while turning
our faces to the sky.
From growing up in
that trailer, where it
rained just as hard

Access Free In The House

inside as out and the
smell of mildew hung
thick in the air, Mary
has known what it is
to feel broken and
disqualified because
of the muddy scars
leaving smudged
fingerprints across
our lives. Generations
of her family lived
and logged in those
hauntingly
treacherous woods,

Access Free In The House

risking life and limb
just to barely scrape
by. And yet that very
struggle became the
redemption song God
used to write a life
she never dreamed of.
Mixed with warmth,
wit, and the
bittersweet,
sometimes aching
heartbreaking places
we go when we dig in
instead of give up,

Access Free In The House

Dirt is a story of healing. With gut-wrenching honesty and hard-won wisdom, Mary shares her story for anyone who has ever walked into the world and felt like their scars were still on display, showing that you are braver, better, and more empathetic for what you have

Access Free In The House

Survived. Because
God does his best
work in the muddy,
messy, and broken--if
we'll only learn to dig
in.

Booker Prize winner
James Kelman's new
novel, *Dirt Road*, tells
the story of a teenage
boy who travels with
his father from
Scotland to Alabama

Access Free In The House

to visit with relatives
after the death of his
mother. In the
American South, he
becomes swept up
into the world of
zydeco and blues. "A
powerful meditation
on loss, life, death,
and the bond
between father and
son. . . . Kelman has
created a
fully-realized,

Access Free In The House

relatable voice that reveals a young man ' s urgent need for connection in a time of grief."

—Publishers Weekly (starred review) After his mother ' s recent death, sixteen-year-old Murdo and his father travel from their home in rural Scotland to Alabama

Access Free In The House

to be with his
e migre uncle and
American aunt.
Stopping at a small
town on their way
from the airport,
Murdo happens upon
a family playing
zydeco music and
joins them, leaving
with a gift of two CDs
of Southern American
songs. On this first
visit to the States,

Access Free In The House

Murdo notices racial tension, religious fundamentalism, the threat of severe weather, guns, and aggressive behavior, all unfamiliar to him. Yet his connection to the place strengthens by way of its musical culture. Murdo may be young but he is already a musician. While at their

Access Free In The House

relatives' home, the
grieving father and
son experience
kindness and kinship
but share few words
of comfort with each
other, Murdo losing
himself in music and
his reticent and
protective dad in
books. The aunt,
“ the very very
best, ” Murdo calls
her, provides

Access Free In The House

whatever solace he receives, until his father comes around in a scene of great emotional release. As James Wood has written of this brilliant writer 's previous work in The New Yorker, " The pleasure, as always in Kelman, is being allowed to inhabit mental meandering

Access Free In The House

and half-finished thoughts, digressions and wayward jokes, so that we are present” with his characters. Dirt Road is a powerful story about the strength of family ties, the consolation of music, and one unforgettable journey from darkness to light.

Access Free In The House

"Extraordinary."

--Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel!

This is the international story of our times. Masterful."

--Sandra Cisneros
También de este lado hay sueños. On this side too, there are

Access Free In The House

dreams. Lydia

Quixano Pérez lives in
the Mexican city of

Acapulco. She runs a

bookstore. She has a

son, Luca, the love of
her life, and a

wonderful husband
who is a journalist.

And while there are
cracks beginning to
show in Acapulco

because of the drug
cartels, her life is, by

Access Free In The House

and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her

Access Free In The House

favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to

Access Free In The House

flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their

comfortable middle-class existence.

Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the

Access Free In The House

only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? American Dirt will leave readers utterly changed. It is a literary

Access Free In The House

Achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into

Access Free In The House

the inner hearts of
people willing to
sacrifice everything
for a glimmer of
hope.

The produce is
local--and so is the
crime--when long-
simmering tensions
lead to murder
following a festive
dinner on Cam
Flaherty's farm. It'll

Access Free In The House

take a sleuth who knows the lay of the land to catch this killer. But no one ever said Cam wasn't willing to get her hands dirty. . .

Autumn has descended on Westbury, Massachusetts, but the mood at the Farm-to-Table Dinner in Cam's newly built

Access Free In The House

barn is unseasonably chilly. Local entrepreneur Irene Burr made a lot of enemies with her plan to buy Westbury's Old Town Hall and replace it with a textile museum--enough enemies to fill out a list of suspects when the wealthy widow turns up dead in a

Access Free In The House

neighboring farm.

Even an amateur
detective like Cam
can figure out that

one of the resident
locavores went

loco--at least

temporarily--and

settled a score with

Irene. But which one?

With the Fall harvest

upon her, Cam must

sift through a

bushful of possible

Access Free In The House

killers that includes Irene's estranged stepson, her disgruntled auto mechanic, and a fellow CSA subscriber who seems suspiciously happy to have the dead woman out of the way. The closer she gets to weeding out the culprit, the more Cam feels like someone is

Access Free In The House

out to cut her harvest short. But to keep her own body out of the compost pile, she'll have to wrap this case up quickly.

An accomplished writer and housecleaner takes readers on an intimate, quirky tour of her clients' lives through the evidence

Access Free In The House

of their habitats and
relates the offbeat
stories of other
cleaners to the rich,
famous, and strange.
Reprint.

Americans in the
early 19th century
were, as one foreign
traveller bluntly put
it, "filthy, bordering
on the
beastly"--perfectly at

Access Free In The House

home in dirty, bug-infested, malodorous surroundings. Many a home swarmed with flies, barnyard animals, dust, and dirt; clothes were seldom washed; men hardly ever shaved or bathed. Yet gradually all this changed, and today, Americans are known worldwide for their obsession with

Access Free In The House

cleanliness--for their sophisticated plumbing, daily bathing, shiny hair and teeth, and spotless clothes. In *Chasing Dirt*, Suellen Hoy provides a colorful history of this remarkable transformation from "dreadfully dirty" to "cleaner than clean," ranging from the pre-

Access Free In The House

Civil War era to the
1950s, when
American's obsession
with cleanliness
reached its peak. Hoy
offers here a
fascinating narrative,
filled with vivid
portraits of the men
and especially the
women who helped
America come clean.
She examines the
work of early

Access Free In The House

promoters of
cleanliness, such as
Catharine Beecher
and Sylvester
Graham; and
describes how the
Civil War marked a
turning point in our
attitudes toward
cleanliness,
discussing the work
of the U.S. Sanitary
Commission, headed
by Frederick Law

Access Free In The House

Olmsted, and revealing how the efforts of Florence Nightingale in the Crimean War inspired American women--such as Dorothea Dix, Clara Barton, and Louisa May Alcott--to volunteer as nurses during the war. We also read of the postwar efforts of

Access Free In The House

George E. Waring, Jr.,
a sanitary engineer
who constructed
sewer systems
around the nation
and who, as head of
New York City's street-
cleaning department,
transformed the city
from the nation's
dirtiest to the nation's
cleanest in three
years. Hoy details the
efforts to convince

Access Free In The House

African-Americans
and immigrants of the
importance of
cleanliness,
examining the efforts
of Booker T.

Washington (who
preached the "gospel
of the toothbrush"),
Jane Addams at Hull
House, and Lillian
Wald at the Henry
Street Settlement
House. Indeed, we see

Access Free In The House

how cleanliness gradually shifted from a way to prevent disease to a way to assimilate, to become American. And as the book enters the modern era, we learn how advertising for soaps, mouth washes, toothpastes, and deodorants in mass-circulation magazines showed working men

Access Free In The House

and women how to
cleanse themselves
and become part of
the increasingly
sweatless, odorless,
and successful middle
class. Shower for
success! By
illuminating the
historical roots of
America's shift from
"dreadfully dirty" to
"squeaky clean,"
Chasing Dirt adds a

Access Free In The House

new dimension to our understanding of our national culture. And along the way, it provides colorful and often amusing social history as well as insight into what makes Americans the way we are today.

“ A must-read . . .
Takes you inside a
child ’ s gut and

Access Free In The House

shows you how to
give kids the best
immune start early in
life.” —William

Sears, MD, coauthor
of The Baby Book
Like the culture-
changing Last Child
in the Woods, here is
the first parenting
book to apply the
latest cutting-edge
scientific research
about the human

Access Free In The House

microbiome to the way we raise our children. In the two hundred years since we discovered that microbes cause infectious diseases, we 've battled to keep them at bay. But a recent explosion of scientific knowledge has led to undeniable evidence that early exposure to these

Access Free In The House

Organisms is
beneficial to a
child ' s well-being.
Our modern lifestyle,
with its emphasis on
hyper-cleanliness, is
taking a toll on
children ' s lifelong
health. In this
engaging and
important book,
microbiologists Brett
Finlay and Marie-
Claire Arrieta explain

Access Free In The House

How the trillions of microbes that live in and on our bodies influence childhood development; why an imbalance of those microbes can lead to obesity, diabetes, and asthma, among other chronic conditions; and what parents can do--from conception on--to positively affect their own

Access Free In The House

behaviors and those of their children. They describe how natural childbirth, breastfeeding, and solid foods influence children ' s microbiota. They also offer practical advice on matters such as whether to sterilize food implements for babies, the use of antibiotics, the safety

Access Free In The House

of vaccines, and why
having pets is a good
idea. Forward-
thinking and
revelatory, *Let Them
Eat Dirt* is an essential
book in helping us to
nurture stronger,
more resilient, happy,
and healthy kids.
