These devices, including the Intermatic wall switch timer, can be used for many purposes, but the most common use is for security when no one is at home. Instead of wasting electricity by turning on the lights before you leave for the day, the Intermatic wall timers can be set to turn your lights on and off at specific times.

INTERMATIC ST01 INSTALLATION AND USER MANUAL Pdf Download ...

Intermatic Incorporated manufactures timer switches designed for indoor and outdoor use. Many pool pump motors and water heaters use Intermatic timers to regulate their run times. An Intermatic timer-switch saves electricity when it turns a water heater off at night and when it limits the amount of time a pool's filtration system runs.
