Terrorism Same-Sex Marriage Debt Cancellation The AIDS Pandemic These are just some of the critical contemporary issues addressed in this book. *Issues Facing Christians Today* helps thinking Christians sift through and respond to a sweeping array of complex and pressing topics. Thoroughly revised and updated by Roy McCloughry and fully endorsed by John Stott, this fourth edition continues a two-decades-plus legacy of bringing important current issues under the lens of biblically informed thinking. Combining a keen global awareness with a gift for penetrating analysis, the authors examine such vital topics as Pluralism and Christian witness Cohabitation Environmentalism and ecological stewardship War and peace Abortion and euthanasia ... and much more An entirely new chapter on bio-engineering has been contributed by Professor John Wyatt of University College London. Including a study guide, *Issues Facing Christians Today* is essential reading for Christians who wish to engage our culture with insight, passion, and faith, knowing that the gospel is as relevant and deeply needed today as at any time in history. As the culture wars continue, this book will remain a critical contribution, helping to define Christian social and ethical thinking in the years ahead.

What is the future of television? What is the impact of media violence on society? Is news quality better or worse online? Should we regulate internet and social media use, and if so, how? Will traditional print books disappear from the marketplace? These are just a sampling of the important, provocative questions in this new reader, sure to provide a solid foundation to spark lively classroom discussion. For current coverage of controversial and important issues centering on media, look to the balanced reporting, complete overviews and engaging writing that CQ Researcher has consistently provided for more than eighty years. This brief reader allows students to see the links between media, culture, business and politics, and an opportunity to view the issues from all sides while giving them a window into the relationships between media, culture, business, and politics. In addition, useful pedagogical features—pro/con debates, graphs, tables, photos, suggested readings, and bibliographies—advance critical thinking and help in study and review.

Opportunities and optimism in Aging. *Issues in Aging*, 3rd edition takes an optimistic view of aging and human potential in later life. This book presents the most up-to-date facts on aging today, the issues raised by these facts, and the societal and individual responses that will create a successful old age for us all. Mark Novak presents the full picture of aging—exhibiting both the problems and the opportunities that accompany older age. The text illustrates how generations are dependent on one another and how social conditions affect both the individual and social institutions. Learning Goals -Upon completing this book, readers will be able to: -Understand how large-scale social issues--social attitudes, the study of aging, and demographic issues--affect individuals and social institutions -Identify the political responses to aging and how individuals can create a better old age for themselves and the people they know -Separate the myths from the realities of aging -Recognize the human side of aging -Trace the transformation of pension plans, health, and opportunities for personal expression and social engagement to the new ecology of aging today

Social Issues in Sport, Fourth Edition, explores common questions and issues about sport and its relation to society through various sociological and cultural lenses. The text is grounded in practical application and provides social theories through which students may examine real-world issues

Offering concise, self-contained chapters, *Juvenile Justice Today*, 1e explores the history of juvenile justice, the juvenile justice system, and special populations. Video profiles accompany each chapter and give a dramatic picture of juveniles in the system, along with the police, judges and personnel that work with them. The mycrimekit website supports the text and includes practice quizzes, essay questions and online activities. Throughout the text, real-world examples and research and evaluations summaries help students understand the juvenile justice system, processes and people within it.

Updated in its 4th edition, *Global Issues* is a current and topical look at the forces driving globalization. From democratization, human rights, and global finance to terrorism, pandemics, and climate change, this text surveys global problems that transcend boundaries and are challenging the international system. This is the only text of its kind to place complex issues into comprehensive context and thus explain the growing political, economic, and cultural interdependence visible in the headlines and in readers' lives.

A guide to the most relevant issues in contemporary American politics provides nonpartisan coverage of a range of topics from the war in Iraq and climate change to the economy and renewable energy sources.
