Motivate and reward your students with the two highly acclaimed video series La Catrina and La Catrina: El Último secreto. Filmed in Mexico with outstanding Mexican actors, both videos follow the journey of Jamie González as she searches for the secrets of her mysterious great-grandmother. The two videos integrate language with culture as students build both Spanish proficiency while expanding their cultural understanding. Both video series feature video on VHS and DVD, video workbooks with separate Teacher's Editions, and a novel.

REVEL™ for Communicating in Small Groups: Principles and Practices balances the principles of small group communication with real-world applications. With an emphasis on practical examples, technology, and ethical collaboration, REVEL for Communicating in Small Groups helps readers enhance their performance in groups and teams, while giving them insight into why group and team members communicate as they do. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

The Second Edition of the Handbook of Adolescent Behavioral Problems clarifies the current state of treatment and prevention through comprehensive examinations of mental disorders and dysfunctional behaviors as well as the varied forces affecting their development. New or revised chapters offer a basic framework for approaching mental health concerns in youth and provide the latest information on how conditions (e.g., bipolar disorder, suicidality, and OCD) and behaviors (e.g., sex offenses, gang activities, dating violence, and self-harm) manifest in adolescents. Each chapter offers diagnostic guidance, up-to-date findings on prevalence, biological/genetic aspects, risk and resilience factors, and a practical review of prevention and treatment methods. Best-practice recommendations clearly differentiate among what works, what might work, what doesn't work, and what needs further research across modalities, including pharmacotherapy. Key topics addressed include: Families and adolescent development. Adolescent mental health and the DSM-5. Oppositional Defiant Disorder and Conduct Disorder. Autism spectrum disorder. Media and technology addiction. School failure versus school success. Bullying and cyberbullying. The Second Edition of the Handbook of Adolescent Behavioral Problems is a must-have reference for researchers, clinicians, allied practitioners and professionals, and graduate students in school and clinical child psychology, education, pediatrics, psychiatry, social work, school counseling, and public health.

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious “gringo” errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, “trickster” words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker’s conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner’s Spanish will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

Spanish, a comprehensive learning resource, provides high-interest, full-color lessons to spark students’ interest and encourage critical thinking. The fun, effective activities reinforce beginning Spanish while also providing children with colorful pictures to introduce vocabulary, a key aspect of foreign language success. A Spanish-English glossary provides helpful assistance for young children who are learning a new language. A complete answer key to measure performance is also included, as well as a fun sticker sheet and poster.

From the bestselling author of Authentic Happiness Known as the father of the science of positive psychology, Martin E.P. Seligman draws on more than twenty years of clinical research to demonstrate how optimism enhances the quality of life, and how anyone can learn to practice it. Offering many simple techniques, Dr. Seligman explains how to break an ‘I give up’ habit, develop a more constructive explanatory style for interpreting your behaviour, and experience the benefits of a more positive interior dialogue. These skills can help break up depression, boost your immune system, better develop your potential, and make you happier. With generous additional advice on how to encourage optimistic behaviour at school, at work and in children, Learned Optimism is both profound and practical, making it highly valuable for every phase of life.

Follow the experiences of five young adults living in a youth hostel in Costa Rica. Students build listening skills and expand their vocabulary and grammar skills. Ideal for third year students 14 episodes average eight minutes in length Teacher materials provided online View Video

If you could improve one area in your dad journey...what would it be? What would it be like if you mastered not one, but several aspects of your dad journey all at once? What would life be like if you improved your level of patience, had better and deeper connections with your wife and kids, improved your relationships outside the immediate family, and all while mastering a good work/life balance? How would life be different if you did this?Hello, I'm Larry Hagner and I'm a dad. I love being a dad. And I believe that being a dad is one of the most rewarding aspects of a man's life. However, being a father can humble you like nothing else can. There really is no roadmap. With so few resources out there for dads like us, I decided to create The Dad Edge to help YOU as a dad to give you easy to implement techniques you can use to be your very best and enjoy your journey of fatherhood.The Dad's Edge will help you:\* Master work/life balance\* Discover three techniques to improve and maintain a great connection with your kids\* Improve your connection & intimacy with your spouse, no matter how busy you are\* Improve your relationships outside the immediately family\* Uncover three easy ways to improve your patience short term and long term\* Discover simple ways to show up big for your kids and be present in the moment\* Thrive (Not Survive) your journey of fatherhoodIf you can identify with one or more of these issues, I understand first hand. Every one of us struggles with these issues on our dad journey and now I've empowered you with some great strategies and a solid roadmap in The Dad's Edge so you can relax and feel confident you are "good dad focused" and nothing will stand in your way!

This anthology is a collection of stories from strong Black women projecting strength and resilience while overcoming life's hurdles. The purpose of this book is to showcase the many powers of a woman, encouraging other women to push through adversity to purpose.

From Michael Rosenblum, the bestselling author of Happily Ever Always: A Guide to Personal Transformation, Security, Confidence, and Healthy Self, comes a debut book for beginning readers. This ageless story introduces us to a caterpillar named "Fear". Fear is afraid of everything - the other critters who share the garden, lightning storms, being bullied and making new friends. A chance encounter with a wise butterfly named "Faith" helps Fear find the courage within to experience the world in a bolder and more joy-filled way. Rosenblum's message for children is simple yet profound: Fear is just faith turned inside out. \*Children will realize that changing fear to faith is up to them as they explore this magical story. Bravo, Michael Rosenblum!" Dr. Kathleen Hagstrom Principal Walt Disney Magnet School Chicago Public Schools
