LOVE WARRIOR is about infidelity, betrayal and redemption. It's about how our ideals of femininity and masculinity can make it impossible for a woman and a man to actually know each other. It's about how to use crisis as a springboard to a truer identity and a better life. It's about parenting our kids through pain.

Utterly refreshing and...badass." —Bustle.com

The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love

that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

A New York Times essayist shares her journey from a self-destructive college student to a devoted family woman and teacher while illuminating the importance of trusting in a higher power and being truthful about life's challenges.

#1 NEW YORK TIMES BESTSELLER □ Over two million copies sold! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine □ The Washington Post □ Cosmopolitan □ Marie Claire □ Bloomberg □ Parade □ “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this?

Online Library Love Warrior Oprahs Book Club A Memoir

We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

This stunning hardcover journal is a bold, interactive guide to discovering and creating the truest, most beautiful lives, families, and world we can imagine, based on the #1 New York Times bestseller *Untamed*. "We must stop asking people for directions to places they've never been. Every life is an unprecedented experiment. We are all pioneers. I created *Get Untamed: The Journal* as an interactive experience in charting our own way--so we can let burn that which is not true and beautiful enough and get started building what is." --Glennon Doyle With *Untamed*, Glennon Doyle--writer, activist, and "patron saint of female empowerment" (People)--ignited a movement. *Untamed* has been described as "a wake-up call" (Tracee Ellis Ross), "an anthem for women today" (Kristen Bell), and a book that "will shake your brain and make your soul scream" (Adele). Glennon now offers a new way of journaling, one that reveals how we can stop striving to meet others' expectations--because when we finally learn that satisfying the world is impossible, we quit pleasing and start living. Whether or not you have read *Untamed*, this journal leads you to rediscover, and begin to trust, your own inner-voice. Full of thought-provoking exercises, beloved quotations from *Untamed*, compelling illustrations, playful and meditative coloring pages, and an original introduction, in *Get Untamed: The Journal*, Glennon guides us through the process of examining the aspects of our lives that can make us feel caged. This revolutionary method for uprooting culturally-constructed ideas shows us how to discover for ourselves what we want to keep and what we'll let

burn so that we can build lives by design instead of default. A one-of-a-kind journal experience, *Get Untamed* proves Glennon's philosophy that "imagination is not where we go to escape reality, but where we go to remember it."

"A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit"--

From Jennifer Weiner, the #1 New York Times bestselling author of *Who Do You Love* and *In Her Shoes* comes a smart, thoughtful, and timely exploration of two sisters' lives from the 1950s to the present as they struggle to find their places—and be true to themselves—in a rapidly evolving world. Mrs. Everything is an ambitious, richly textured journey through history—and herstory—as these two sisters navigate a changing America over the course of their lives. Do we change or does the world change us? Jo and Bethie Kaufman were born into a world full of promise. Growing up in 1950s Detroit, they live in a perfect “Dick and Jane” house, where their roles in the family are clearly defined. Jo is the tomboy, the bookish rebel with a passion to make the world more fair; Bethie is the pretty, feminine good girl, a would-be star who enjoys the power her beauty confers and dreams of a traditional life. But the truth ends up looking different from what the girls imagined. Jo and Bethie survive traumas and tragedies. As their lives unfold against the background of free love and Vietnam, Woodstock and women's lib, Bethie

becomes an adventure-loving wild child who dives headlong into the counterculture and is up for anything (except settling down). Meanwhile, Jo becomes a proper young mother in Connecticut, a witness to the changing world instead of a participant. Neither woman inhabits the world she dreams of, nor has a life that feels authentic or brings her joy. Is it too late for the women to finally stake a claim on happily ever after? In her most ambitious novel yet, Jennifer Weiner tells a story of two sisters who, with their different dreams and different paths, offer answers to the question: How should a woman be in the world?

Shortlisted for the 2021 Booker Prize Longlisted for the 2021 National Book Award for Fiction A heartrending new novel from the Pulitzer Prize-winning and #1 New York Times best-selling author of *The Overstory*. Named one of the Most Anticipated Books of 2021 by Newsweek, Los Angeles Times, New York Magazine, Chicago Tribune, BuzzFeed, BookPage, Goodreads, Literary Hub, The Millions, New Statesman, and Times of London The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He's also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin's emotional control, one that involves training the boy on the recorded patterns of his

mother's brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son's ferocious love, Bewilderment marks Richard Powers's most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet?

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Twelve Tribes of Hattie* by Ayana Mathis features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. The arrival of a major new voice in contemporary fiction. A debut of extraordinary distinction: Ayana Mathis tells the story of the children of the Great Migration through the trials of one unforgettable family. In 1923, fifteen-year-old Hattie Shepherd flees Georgia and settles in Philadelphia, hoping for a chance at a better life. Instead, she marries a man who will bring her nothing but disappointment and watches helplessly as her firstborn twins succumb to an illness a few pennies could have prevented. Hattie gives birth to nine more children whom she raises with grit and mettle and not an ounce of the tenderness they crave. She vows to prepare them for the calamitous difficulty they are sure to face in their later lives, to meet a world that will not love them, a world that will not be kind. Captured here in twelve luminous narrative threads, their lives tell the story of a mother's monumental courage and the journey of a nation. Beautiful and devastating, Ayana Mathis's *The Twelve Tribes of Hattie* is wondrous from first to last—glorious, harrowing, unexpectedly uplifting, and blazing with
