For over a decade, Mahendra Singh Dhoni has captivated the world of cricket and over a billion Indians with his incredible ingenuity as captain, wicketkeeper and batsman. Bharat Sundaresan tracks down the cricketer's closest friends in Ranchi and artfully presents the different shades of Dhoni-the Ranchi boy, the fauji, the diplomat, Chennai's beloved Thala, the wicketkeeping Pythagoras-and lays bare the man underneath. He discovers a certain je ne sais quoi about the man who has a magical ability to transform and elevate everything which comes into his orbit-the Dhoni Touch. Funny, candid, and peppered with delicious anecdotes, The Dhoni Touch reveals an ordinary man living an extraordinary life.

'It must be my power, the bat speed I generate, and the swing of the bat...' Mahendra Singh Dhoni is as calm and unruffled a sportsman on the field as he is self-effacing off it. But 'brute strength', 'murderous form' and 'a man possessed' were some of the phrases that came to mind when, on 5 April 2005 in Visakhapatnam, he exploded onto international consciousness by becoming the first regular Indian 'keeper to score a one-day century. With his striking form on the day, his long locks visible beneath his helmet, red tints glinting in the sunlight, 'Mahi' Dhoni had transformed from a boy HAILING from an obscure small town to a sports legend with the aura of a rock star. And yet, Dhoni was no child prodigy, no overnight success. When he made his international debut at 23, he was already mature by Indian cricket standards-with five grinding years of domestic cricket behind him. How that legend came to be-and grew from game to game- is told here by noted sportswriter Gulu Ezekiel in his crackling but measured prose. Captain Cool is the story of MS Dhoni, Indian cricket's poster boy; it is also the heartwarming account of the life of a young man who won India the World Twenty20 in 2007, the 50-over World Cup title in 2011 and the Champions Trophy in 2013, but can still tell his throngs of admirers, 'I am the same boy from Ranchi'.

The book is a differentiated biography of former Indian skipper M S Dhoni that celebrates the total journey of the individual as a cricketer through various assorted articles that have been meticulously curated by the author. The author further draws marketing parallels in this book as he compares to Dhoni with a brand that has an inspiring and engaging story to tell and that needs to be shared. Although there are a number of biographies on Dhoni in the market, this book is very different in its approach and treatment and it surely reflects the unputdownable fan spirit of the author for the man who is the cynosure of this book. A truly interesting read for anyone who loves the game of cricket and has been mesmerized by Dhoni's aura time and again on and off the field.
