Make sure to add the field 'Windows User Account'! If you enter the User Account into this field, the resource will automatically become a user in Project Server. If you leave the field empty for a resource, it will become a resource only, and not a user.

Download Free Microsoft

If you want to add
users only (not
resources) you can
take a look at AD
sync of you need to
write your own
importer in PSI. I
hope this helps, Hans
