It's no secret I've always had a crush on Damon Strickland. My best friend's older brother and the center of every single one of my fantasies. He's a walking, talking temptation. That cocky grin and those broad, athletic shoulders. You know what they say about a man with big hands right? Growing up, we always tormented one another. I was the nagging, annoying little girl he hated. And he was the man-whoring, douchebag I couldn't seem to get over. Now as adults he actually came through and helped me land a job at my dream company. How the hell am I supposed to focus when all I can think about is tearing that tight suit from his tempting body! What's even worse? He forgot to mention he's my boss.

Nico's it for me, too bad he's my brother's best friend

...Friends and brothers are off limits. That's always been the rule in our house. In a big family it's the only way to keep the peace. That doesn't stop my heart from belonging to Nico, my older brother's best friend. I've been able to put aside my feelings for years, but now that I'm an intern at the law firm he owns, all those feelings are threatening to overflow. He says he doesn't do relationships, and that work is all he has time for, but when things heat up between us I know I've found something worth fighting for. I'll prove to Nico that I'm the guy for him. It's time to throw out the old rules and make new ones of our own.

My new boss is my best friend's brother. What he doesn't know is he's the father to my twin girls. He left for the military ten years ago. His mission was to protect and serve. My mission was to raise our two daughters alone. I've hated him for years. And now I have to be his live-in assistant. Most women fall for his charming smile and rock-hard abs. Not me... I know the darkness that he hides from the world. I know the true man behind those green eyes. He's a prick. Or so I thought until the truth came out. This daddy is on a mission to protect what's his. And I'm on a mission to reclaim my baby's daddy. Best Friend's Brother is a standalone book from the Loving You Again series. It's packed full of steamy romance and drama which makes your heart racing and leaves you swooning with happily-ever-after! No cheating or cliffhangers!

Never fall in love with your best friend... I met Hal on the first day of high school. I also fell in love with Hal on the first day of high school. But although we were

good friends from the start, I knew he'd never be mine. He's gorgeous, confident, sexy, and he's also incredibly rich. I'm scarred - physically and emotionally - quiet, and my family has always been poor. The two of us are poles apart. So I've trained myself not to think of him in that way. Not to think of kissing him, undressing him slowly. Of sliding beneath the bedclothes. Of having his hands on my skin. I don't think of it at all. I can't. Because Hal never stays with a girl for long, and if he were to have me, then leave me, my heart would break into a million pieces, and I'd never be able to put it together again. But then he tells me he's fallen in love with someone. I try to guess who, and he just smiles. "Izzy," he says patiently, "it's you." Oh no. * The Billionaire Kings is set in Noah's Ark Animal Sanctuary and features the sons of the heroes from the USA Today bestselling Three Wise Men series of sexy holiday romances. The books are all standalones, and you don't have to have read the Three Wise Men to enjoy The Billionaire Kings, but if you have read them you will hopefully have fun meeting up with Brock, Charlie, and Matt occasionally in these stories! This new series takes place approximately thirty years after the Three Wise Men, but it's not set 'in the future'. I just thought it would be fun to write a new series that had a connection to one of my favorites. I hope you enjoy reading it as much as I enjoyed writing it!

Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon

Download Free My Best Friends Brother Kindle Edition Mj Thompson

Falling #1 - He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon

Falling #2 - He's never serious. He cracks one-liners, mostly at your expense. Abandon

Falling #3 - When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon

Falling #4 - He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?)

Abandon Falling #5 - There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.

Nyla has a lot on her plate to deal with after such a tragic loss in her life. Trying to pick up the pieces of her shattered life and put them back together is a lot harder than she thought. She's on an emotional roller coaster and doesn't know how to get off. Devastated by their loss, the Nash's are trying to cope the best they can which causes some backlash with Nyla—they blame her for their unfortunate misfortune. In this series finale, you get to choose your own alternate ending!

The heart wants what it can't have. Chase is too forbidden and tempting, and that's making me

"chase" after him more. Well that... and the fact that he's insanely gorgeous. Chase is my best friend's big brother and she's totally freaked out by us. The drama is more than I can handle. But I don't blame her... not one bit. He's so much older. A billionaire. I mean, what do I have to offer a billionaire? Nothing. Oh, except for my innocence. And then a secret baby. My life went from totally normal to completely stormy quite quickly. Now with a newborn baby on the way, I'm forced to figure out when to break the news to my baby daddy.

Ellerslie Rush wasn't looking for love. She certainly wasn't looking for the cocky Lawson Pierce. Her best friends brother should be the last person breaking down the walls around her broken heart, but sometime fate just has other ideas.

A girl, her best friend's twin brother, and a crush that's gone on way too long. Dannika Harper has had a crush on her best friend's brother for almost a decade. It was time to cut her losses and move on. At least, that's what she tried to tell herself. If only she had one chance, one shot, to show Luke she was the perfect girl for him. Luke never planned to kiss his sister's best friend. But one high school party and a kissing game later, that's exactly what happened. Still, it didn't mean anything, right? Besides, he had a plan to get back his ex-girlfriend, that plan did not include falling for Dannika. But when plans go awry and Luke and Dannika end up thrown together for one epic night, can they really deny what's happening between them? He's my brother's best friend and all I've ever wanted is a taste. For my eighteenth birthday I wished for a birthday kiss from Stirling Hartford, my older brother's best friend. Unfortunately, he only ever saw me as his friend's annoying little sister. He broke my heart that night, whether he knew or not. Years later and my heart's broken again, and there's no one else to turn to except him. She's my best friend's little sister, and I wish things were different. I don't care how tempting Audrey Davenport is, she's still my overprotective best friend's sister. I made a promise to him years ago I would never cross the line with her. It was easy to make that promise then when we were teens, but now she's all grown up and I'm finding it hard to understand why I ever agreed to such a thing. Especially after the night she crawls into my bed...
...Tempting me.
