This is my son's favorite book. He's 2, and really into "big trucks", and this book was perfect for him. He will pull this book off the shelf nearly every day for us to read it to him. He can point out what most of the vehicles are ("Show me the airport fire truck"), and when we are driving someplace, every so often he'll sound out, "LOOOK!

The book is a larger size board book, with simple bright pictures of various trucks. The trucks are grouped by truck categories, such as emergency vehicles, construction trucks, etc. The captions and text are minimal. It is great for sharing and talking about the pictures, but don't expect to read a story.
