Laboratory Sciences: Beck, Susan
J ...

NCA was chartered in 1978 as a peer-review credentialing agency in response to concerns for pathologists' control of the clinical laboratory science (CLS) profession and has functioned as an independent agency sponsored by the American Society for Clinical Laboratory Science (ASCLS) and the Association of Genetic Technologists. Generalist certifications through NCA lead to the Clinical Laboratory Scientist [CLS (NCA)] and Clinical Laboratory Technician [CLT (NCA)] credentials.
