When I acquired Barbie Bohrman's previous novel, *Promise Me*, I remember distinctly how much I liked the supporting characters—particularly the protagonist's sassy best friend, Julia. Sure, Julia's language was off-color and risqué, but that's part of her charm. At the time, I didn't know that Barbie was planning to write a new novel about Julia, but I was ecstatic when I found out.

Amazon.in: Barbie ...

Playing it Safe is a spin-off of Barbie Bohrman's debut Promise Me, featuring the wacky and love-able Julia and smoldering Alex. I have been anxiously awaiting their story for so long and it was worth the wait. Julia is one hell of a heroine. She's hilarious, foul-mouthed, quirky and very much the kind of girl you want to be best friends with.
