History and Politics of South Asia | South Asian Studies

South Asia does not have one political system for the entire region. Instead, each country within the region has its own political system. India and Pakistan are both federal republics. Afghanistan is an Islamic republic. Bangladesh rules under a parliamentary democracy. Bhutan uses a constitutional monarchy. Maldives and Sri Lanka are both republics.

Political Organization - South Asia

The Asia of Politik are extremely varied as would be expected of such a large landmass and a diverse population. Constitutional monarchies, absolute monarchies, one-party states, federal states, dependent territories, liberal democracies and military dictatorships are all factors in the region, as well as various forms of independence movements. Civilization has a long history throughout Asia and it probably involved politics right from the start although some of the earliest discernible politic
