Power Systems Conversations With David Barsamian on Global ...

Many companies unaccustomed to working globally struggle when they implement a project that involves stakeholders located around the world. This paper examines a framework for managing the difficult relationship dynamics involved in realizing global projects. In doing so, it defines the concept of a global project and the dimensions involved in managing a

Don't forget to read "Power Systems: Conversations on Global Democratic Uprisings and the New Challenges to U.S. Empire", kids! The italics are David Barsamian, the rest is Noam Chomsky. My review of the book is found here.. In an image-dominated culture, I wonder about the future of books. And I'm asking this of someone who reads voraciously.
