HALL, ELAINE and MOSELEY, DAVID 2005. Is there a role for learning styles in personalised education and training?. International Journal of Lifelong Education, Vol. 24, Issue. 3, p. 243.

Presents a Spanish language grammar and vocabulary practice workbook to accompany a text book for classes in high school Spanish.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

This book, first published in 1989, contains reprints of the early periodical on accounting, The Book-Keeper. It dealt with ' historical reviews of methods and systems in all ages and by all nations. Elucidations of accounts, introducing new and simplified features of accounting. Problems from the counting-room discussed and explained. Instructive notes upon plans and methods of book-keeping in every department of trade, commerce and industry. ' The journal is a primary source for students interested in the history of accounting.

Caminos 3 offers students complete preparation for GCSE/Standard Grade through full coverage of all five Areas of Experience, Grades A\*-G. Mixed abilities are catered for in one carefully structured Student's Book by the use of symbols to indicate differentiated activities. Student motivation is encouraged through the use of material appropriate for the 14-16 year age group in both content and style. Full support for the teacher is provided through detailed notes, National Curriculum cross referencing, tapescripts and answers as well as general teaching advice. Student's Book and worksheet activities are supported by 7 cassettes of audio material.
