Meet Molly Sue. Once she's under your skin there's no getting rid of her... Seventeen-year-old Sally Feather is not exactly a rebel. Her super-conservative parents and her treatment at the hands of high school bullies means that Sally's about as shy and retiring as they come - but all that's about to change. Accidentally ending up in the seedier side of town one day, Sally finds herself mysteriously lured to an almost-hidden tattoo parlour - and once inside, Sally is quickly seduced by its charming owner, Rosita, and her talk of how having a secret tattoo can be as empowering as it is thrilling. Almost before she knows what she is doing, Sally selects sexy pin-up Molly Sue, and has her tattooed on her back - hoping that Molly Sue will inspire her to be as confident and popular as she is in her dreams. But things quickly take a nightmareish turn. Almost immediately, Sally begins to hear voices in her head - or rather, one voice in particular: Molly Sue's. And she has no interest in staying quiet and being a good girl - in fact, she's mighty delighted to have a body to take charge of again. Sally slowly realises that she is unable to control Molly Sue... and before long she's going to find out the hard way what it truly means to have somebody 'under your skin'.

WINNER OF THE UK BLACK PRIDE LITERARY PRIZE FOR NON-FICTION DIVA AWARDS 2017 *AS SEEN ON TRANSFORMATION STREET* 'Opens minds, breaks down myths and vaporises prejudice - I loved it!' Rebecca Root, star of Boy Meets Girl 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. And two years ago, as Juno Dawson went to tell her mother she was (and actually, always had been) a woman, she started to realise just how wrong we've been getting it. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists including Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, The Gender Games is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves. The Gender Games has been optioned by SunnyMarch Productions to be turned into an original television series, written by Rose Lewenstein.
