Crafty kids love to show off what they make, and what better way to do that than to wear their own one-of-a-kind handmade clothes! The authors of the best-selling and much-acclaimed Sewing School® series are back with a complete course in sewing clothes, specially designed for kids aged 8 to 12. Starting with the basics, Sewing School® Fashion Design teaches kids how to make three essential garments: a top, a pair of shorts, and a skirt, and then encourages them to build their skills and customize each piece with options for changing the neckline or sleeve length and adding their own decorative touches. With step-by-step photos and actual kid-created examples, the approach is friendly and forgiving — no fussy fitting or difficult techniques. All the necessary pattern pieces are included for a wide range of sizes and body types, along with guidance on selecting fabric, cutting accurately, and adjusting the fit. With a wardrobe of their own making, kids will feel great about what they wear!

Provides an introduction to hand and machine sewing, and step-by-step instructions for projects including converting jeans to a skirt, a beach bag, and clothes decoration.

A beginner's guide and visual dictionary for young people who want to learn to sew, packed with photos: "Some of the coolest projects we've seen." —Kiki Magazine With this book by Sophie Kerr—with some help from her parents, Weeks Ringle and Bill Kerr of Modern Quilt Studio—kids can learn how to navigate a sewing machine, make smart fabric choices, and use basic sewing tools. Sixteen kid-friendly projects run the gamut from clothes to bags to accessories, while clear, step-by-step instructions walk kids through the creation of each. Throughout the book, tips from Sophie offer design and construction advice from a kid's perspective—and move from simpler to more complex projects as kids' skills develop. The book "grows" with the sewist, offering more complex project as the reader's skills develop. It also functions as a visual dictionary of tools, materials, and terms that will be a go-to reference for young sewists.

With 35 projects that you'll love to make and a helpful techniques section, this book will teach you all about sewing machines. Start out with Clothes and Accessories, where you can make a felt collar and cosy scarf, as well as a pretty skirt.
