could cause them to burst or leak, which might damage the interior of the cash register.

WARNING SHARP ELECTRONIC CASH REGISTER MODEL XE-A101 SHARP XE-A106 - ELECTRONIC CASH REGISTER - No Key - FOR PARTS. Condition is "for parts or not working." It powers on, but we do not have the key or a way to test it further. The spool where the paper goes does turn and it powers on. Has the usual scuffs and scrapes from use. It seems to be missing the plastic cover that would go over the paper spool, but does have the spool/wheel.
