The story seems so simple: Bendrix, a self-absorbed bachelor writer, has an affair with Sarah, the wife of Bendrix's friend, Henry. The relationship sparks love inside of Bendrix, and reawakens passions in Sarah, until a bomb falls, leading Sarah to make a deal with God: if God lets Bendrix live, she'll give him up forever.

In his 1998 book American Sphinx, Jefferson biographer Joseph J. Ellis wrote that "the alleged liaison between Thomas Jefferson and Sally Hemings may be described as the longest-running miniseries in American history." The drama finally came to an end in 1998, when a study of DNA evidence published in the scientific journal Nature put the matter to rest once and for all.

Available for the first time as a complete novel--the serial from the New York Times bestselling author that explores the dynamics of power and sex between two people who set the rules of desire...only to shatter them. When unconventional hospice nurse Emma Shore secured a new position at the Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand, she had no idea how soon she'd be drawn into his darker sexual games--or that it would be her own fantasies that would hold her captive. Michael knew he shouldn't have engaged such an innocent woman to share in his desires. But strong sexual appetites and selfishness run in his blood. From Michael's luxurious lakeside home to the sun-drenched, sensual shores of the French Riviera, Emma submits again and again to his intoxicating power. But she knows there is only one way to protect her heart. The affair will continue, but under her conditions: Only she can end it, and when it's over, they will part and never speak again of the things they dared to do behind locked doors.

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover--to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice--and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, The Affair is the start of the Reacher saga, a thriller that takes Reacher--and his readers--right to the edge . . . and beyond.

In this charming, witty, and weird fantasy novel, Alexis Hall pays homage to Sherlock Holmes with a new twist on those renowned characters. Upon returning to the city of Khelathra-Ven after five years fighting a war in another universe, Captain John Wyndham finds himself looking for somewhere to live, and expediency forces him to take lodgings at 221b Martyrs Walk. His new housemate is Ms. Shaharazad Haas, a consulting sorceress of mercurial temperament and dark reputation. When Ms. Haas is enlisted to solve a case of blackmail against one of her former lovers, Miss Eirene Viola, Captain Wyndham is drawn into a mystery that leads him from the salons of the literary set to the drowned back-alleys of Ven and even to a prison cell in lost Carcosa. Along the way he is beset by criminals, menaced by pirates, molested by vampires, almost devoured by mad gods, and called upon to punch a shark. But the further the companions go in pursuit of the elusive blackmailer, the more impossible the case appears. Then again, in Khelathra-Ven reality is flexible, and the impossible is Ms. Haas' stock-in-trade.

Her husband's affair won her a golden ticket for a night with anyone, but what happens when the man she chooses wants more than her body? Cris didn't believe in forgiving a cheat, but when her own husband betrays her, she is faced with the hardest decision of her life. Does she stay or does she leave him? She doesn't know which way to go, but she does know one thing. The only way she will stay is if they can level the playing field. And now armed with a ticket and a tall dark and sexy as hell prospect, she can do just that.

An "illustrated chain of entanglements (romantic and otherwise) between some of our best-loved writers and artists of the twentieth century ... from Frida Kahlo to Colette to Hemingway to Dali; from Coco Chanel to Stravinsky to Miles Davis to Orson Welles"--Back cover.

Discovering that a partner has been unfaithful hits you like an earthquake. Long after the first jolt, emotional aftershocks can make it difficult to be there for your family, manage your daily life, and think clearly about your options. Whether you want to end the relationship or piece things back together, Getting Past the Affair guides you through the initial trauma so you can understand what happened and why before deciding how to move forward. Based on the only program that's been tested--and proven--to relieve destructive emotions in the wake of infidelity, this compassionate book offers support and expert advice from a team of award-winning couple therapists. If you stay with your spouse, you'll find realistic tips for rebuilding your marriage and restoring trust. But no matter which path you choose, you'll discover effective ways to recover personally, avoid lasting scars, and pursue healthier relationships in the future. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

Co-published by Plunkett Lake Press and George Braziller, Inc. On an autumn morning in 1894, Captain Dreyfus was summoned to appear for a routine inspection; instead, as he took down a letter dictated by a senior officer, he was summarily accused of high treason. So began a twelve-year series of events that included his imprisonment on Devil's Island, the publication of Emile Zola's passionate "Accuse, the Rennes retrial, and the pardon and final rehabilitation of 1906. As the Dreyfus case turned into the Affair, the history of a single military career came to display the conflicts that were tearing France apart: military defeat, anti-Semitic furor, and the place of traditional values in a

country still reeling from the turbulence of the French Revolution. Told with an historian's insight and a novelist's skill, *The Affair* makes fascinating and informative reading about one of the most celebrated episodes in modern history. "There have been many books about the Dreyfus Affair, but Jean-Denis Bredin's book is one of the best of them — lucid, well-organized, informed by a fine sense of drama." — John Gross, *The New York Times* "[a] critically acclaimed study" — Michiko Kakutani, *The New York Times* "If one is limited to a single book about the Dreyfus case and its consequences, this should be it. Bredin has told this story with precision, passion, and a vivid sense of character." — *The New York Review of Books* "A brilliant and fascinating book. What is most remarkable about *The Affair* is the skill and sensitivity with which the author places it in its essential historical setting. It is also a gripping — though terrible — story superbly told." — *The Atlantic* "This is the most judicious and absorbing account to date of the Dreyfus Case." — *The Boston Globe* "This is certainly the best book on the Dreyfus case now available in the English language." — *San Francisco Examiner* "Bredin is crystal clear in his gripping narrative of the complex case. His tapestry glows with all the color of the Belle Epoque and its extravagances." — *Chicago Sun-Times* "There have been other books on the Affair, but I can't imagine any of them coming even close to Bredin's work. He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity. It should be a model for future historians." — *San Francisco Chronicle*

She hadn't known she'd slept with the boss. But the next morning Jewel Henley learned the exotic stranger who'd swept her off her feet was her new employer, Piers Anetakis. And before she could explain, Jewel found herself without a job...and pregnant. After five months Piers had finally tracked down his one-night lover. Determined to explain the mistakes that had been made, he was confronted with an undeniable truth. Jewel was carrying his child. His Greek honor demanded they marry. Yet was there more between them than lust...and was it enough to make their marriage of convenience last?

NEW YORK TIMES BESTSELLER • In this riveting novel, Danielle Steel explores a high-profile affair that reverberates throughout an entire family, from the wounded wife to her husband—torn between two women—to the wife's close-knit sisters and their mother. When Rose McCarthy's staff at *Mode* magazine pitches a cover shoot with Hollywood's hottest young actress, the actress's sizzling affair with a bestselling French author is exposed. The author happens to be Rose's son-in-law, which creates a painful dilemma for her. Her daughter Nadia, a talented interior designer, has been struggling to hold her marriage together, and conceal the truth from their young daughters, her family, and the world. But Nicolas, her straying husband, is blinded by passion for a younger woman—and not only that, she is pregnant with his child. Nadia's three sisters close ranks around her, flying to Paris from Los Angeles and New York to lend support and offer their widely divergent advice. Athena, a jovial celebrity chef with her own TV show in Los Angeles, is leery of marriage. Olivia, a stern conservative New York superior court judge, is haunted by a shocking secret of her own. Venetia, a zany fashion designer, happily married with three kids, has the gentlest, most realistic point of view. Despite their well-meaning advice, Nadia needs to figure out what she herself thinks, and what to do next. *The Affair* is about the painful journey to discover who you are, what you want, and how much forgiveness and compromise you are capable of in order to be loved. It's about finding yourself at the crossroads of life when everything is on the line. It's about the hard lessons we are forced to learn about others and ourselves. Right up until its final twist, this gripping novel is full of powerful insights about who we love, how much—and even how much we love ourselves.

Agatha Christie's Tommy and Tuppence Beresford are Partners in Crime—or rather partners in crime solving—and must demonstrate their deductive skills in a wide range of confounding cases after agreeing to take over Blunt's International Detective Agency. Tommy and Tuppence Beresford are restless for adventure, so when they are asked to take over Blunt's International Detective Agency, they leap at the chance. Their first case is a success—the triumphant recovery of a pink pearl. Other cases soon follow—a stabbing on Sunningdale golf course; cryptic messages in the personal columns of newspapers; and even a box of poisoned chocolates. But can they live up to their slogan of "Any case solved in 24 hours"?
