The Black Path Rebecka Martinsson

Hot-shot lawyer Rebecka Martinsson has a new job at a top Stockholm ... It's not the most original set up in the world, that old black-sheep-returning-home-after-a-long-absence-only-to-discover ...

A grisly torture-murder, a haunting northern Sweden backdrop, and a dark drama of twisted sexuality collide memorably in Åsa Larsson’s masterpiece of suspense—a tale of menace, hope, longing, and darkness beyond imagining. The dead woman was found on a frozen lake, her body riddled with evidence of torture. Instantly, Inspector Anna-Maria Mella knows she needs help. Because the dead woman—found in workout clothes with lacy underwear beneath them—was a key player in a mining company whose tentacles reach across the globe. Anna-Maria needs a lawyer to help explain some things—and she knows one of the best. Attorney Rebecka Martinsson is desperate to get back to work, to feel alive again after a case that almost destroyed her. Soon Rebecka is prying into the affairs of the dead woman’s boss, the founder of Kallis Mining, whose relationship with his star employee was both complex and ominous. But what Rebecka and Anna-Maria are about to uncover—a tangled drama of secrets, perversion, and criminality—will lay bare a tale as shocking as it is sad...about a man’s obsession, a woman’s lonely death, and a killer’s cold, cold heart.

The novels that inspired Rebecka Martinsson: Arctic Murders - the major TV series One of The Times’ “Best Crime Novels by Women since 2000” “Rebecka Martinsson: the new Scandi-noir heroine to rival Saga Noren and Sarah Lund” iNews “In a television world now awash in female coppers, there aren’t many as interesting and human as Rebecka” Wall Street Journal The frozen body of a woman is found in a fishing ark on the ice near Tometrisk in northern Sweden. She has been brutally tortured, but the killing blow was clumsy, almost amateur. The body is quickly identified, raising hopes of an open-and-shut solution. But when a six-month-old suicide is disinterred, Rebecka Martinsson and Anna-Maria Mella find themselves investigating shocking corruption at the heart of one of Sweden’s most successful mining companies. One that has powerful enemies of its own.

One that has powerful enemies of its own.

When a dead woman turns up on a frozen lake, her body bearing unmistakable signs of torture, Inspector Anna-Maria Mella enlists attorney Rebecka Martinsson to help her unravel a complicated web of dark secrets, perversion, obsession, and murder. By the author of The Blood Spilt. Original. 15,000 first printing.

It’s midsummer in Sweden—when the light lingers through dawn and a long, isolating winter finally comes to an end. In this magical time, a brutal killer has chosen to strike. A female priest—who made enemies and acolytes in equal number—has been found hanging in her church. And a big-city lawyer quite acquainted with death enters the scene as police and parishioners try to pick up the pieces... Not long ago, attorney Rebecka Martinsson had to kill three men in order to stop an eerily similar murder spree—one that also involved a priest. Now she is back in Kiruna, the region of her birth, while a determined policewoman gnaws on the case and people who loved or loathed the victim mourn or revel in her demise. The further Rebecka is drawn into the mystery—a mystery that will soon take another victim—the more the dead woman’s world clutches her: a world of hurt and healing, sin and sexuality, and, above all, of sacrifice. In prose that is both lyrical and visceral, Åsa Larsson has crafted a novel of pure entertainment, a taut, atmospheric mystery that will hold you in thrall until the last, unforgettable page is turned

On the windswept shore of a frozen lake lurks a faceless killer determined to keep the past buried forever beneath half a century’s silent ice and snow. The body of a young woman surfaces in the River Torne, in the far north of Sweden. Meanwhile, Rebecka Martinsson is working as a prosecutor in nearby Kiruna. Her sleep has been disturbed by haunting visions of a shadowy, accusing figure. Could the body be connected to the ghostly young woman in her dreams? Joining forces once again with Police Inspector Anna-Maria Mella, Rebecka is drawn into a murder and missing-person investigation that becomes entangled with old rumors of a German supply plane that mysteriously disappeared in 1943. Shame and secrecy shroud the locals’ memories of the war, with Sweden’s early collaboration with the Nazis still a raw wound. With psychologically complex twists and turns, this harrowing thriller captivates from the very first page.

When a body is discovered in her hometown, a young Swedish lawyer is called back home, only to become trapped in a perilous web of betrayal, suspicion, religious fanaticism, and death, in a suspense novel set against the backdrop of northern Sweden. Reprint.

Asa Larsson’s Rebecka Martinsson series was included on a list of Top Mysteries Every Woman Should Read by Oprah Winfrey, who called Rebecka Martinsson a “brilliant, believable” female detective. Now in The Second Deadly Sin Rebecka Martinsson’s courage to the test once more in her most twisted and unpredictable case yet. After successfully tracking down and killing a rogue bear in the wilderness of northern Sweden, a group of hunters is shaken by a grisly discovery when they dress the bear carcass: human remains in the stomach. Far away in the remote village of Kurravaara, an elderly woman is found murdered with frenzied brutality, crude abuse scrawled above her bloodied bed. Her young grandson, known to live with her, is nowhere to be found. Only Kiruna prosecutor Rebecka Martinsson sees a connection between the two events, but thanks to the machinations of a jealous rival, she is dropped from the case. Continuing to pursue answers in an unofficial capacity, and with the reluctant assistance of her friend and police inspector Anna-Maria Mella, Rebecka stands alone against a ruthless killer. At the root of it all is a horrifying, century-old crime, the tendrils of which continue to hold the small community in their grip.

Suspense fiction. On the floor of a church in northern Sweden, the body of a man lies mutilated and defiled. Rebecka Martinsson is heading home to Kiruna, the small town she’d left in disgrace years before. A Stockholm tax lawyer, Rebecka has a good reason to return: her friend Sanna, whose brother has been murdered in the church of the cult he helped create.

Life at the prestigious Q High School for Girls in Tokyo exists on a precise social axis: a world of insiders and outsiders, of haves and have-nots. Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres; the hopelessly awkward Kazue Sato floats around among them, trying to fit in. Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered. Natsuo Kirino, celebrated author of Out, seamlessly weaves together the stories of these women’s struggles within the conventions and restrictions of Japanese society. At once a psychological investigation of the pressures facing Japanese women and a classic work of noir fiction, Grottesque is a brilliantly twisted novel of ambition, desire, beauty, cruelty, and identity by one of our most electrifying writers.
