The POV of Lady the In The Lake experiment hides the fact that Robert Montgomery wasn't up to the task of being Philip Marlowe. Oh he had the tough talk down pat, but as someone said earlier he was better in Ride The Pink Horse. In this movie he doesn't feel like Marlowe, a Marlowe who can take and give a hard punch.

Raymond Chandler's incomparable private eye is back, pulled by a seductive young heiress into the most difficult and dangerous case of his career "It was one of those summer Tuesday afternoons when you begin to wonder if the earth has stopped revolving. The telephone on my desk had the look of something that knows it's being watched. Traffic trickled by in the street below, and there were a few pedestrians, too, men in hats going nowhere." So begins *The Black-Eyed Blonde*, a new novel featuring Philip Marlowe—yes, that Philip Marlowe. Channeling Raymond Chandler, Benjamin Black has brought Marlowe back to life for a new adventure on the mean streets of Bay City, California. It is the early 1950s, Marlowe is as restless and lonely as ever, and business is a little slow. Then a new client is shown in: young, beautiful, and expensively dressed, she wants Marlowe to find her former lover, a man named Nico Peterson. Marlowe sets off on his search, but almost immediately discovers that Peterson's disappearance is merely the first in a series of bewildering events. Soon he is tangling with one of Bay City's richest families and developing a singular appreciation for how far they will go to protect their fortune. Only Benjamin Black, a modern master of the genre, could write a new Philip Marlowe detective novel that has all the panache and charm of the originals while delivering a story that is as sharp and fresh as today's best crime fiction.

This collection by crime fiction master Raymond Chandler features four long stories in which private eye Philip Marlowe is hired to protect a rich old guy from a gold digger, runs afoul of crooked politicians, gets a line on some stolen jewels with a reward attached, and stumbles across a murder victim who may have been an extortionist.

This book is a homage to the greatest detective story writer of the 20th century, an Anglo-American who took Los Angeles, his adopted home, off the road maps and into the land of legend. For Raymond Chandler, who died in 1959, his literary descendants will do just about anything, and that includes contributing to an anthology honoring him. Thus, in here we find the likes of Sara Paretsky, Robert Crais, Loren D. Estleman, Jonathan Valin, Robert Campbell, Eric Van Lustbader, Simon Brett, Julie Smith, Jeremiah Healy, Roger L. Simon, James Grady, and numerous others creating stories in the style of Chandler and in the voice of Marlowe. But, as editor Byron Preiss remarks, "The contributors of this book are here to honor Chandler, not to steal from him."

Are the pair living off the spoils? Set between the border and badlands of Mexico and California, Lawrence Osborne's resurrection of the iconic Marlowe is an unforgettable addition to the Raymond Chandler canon. Osborne and Chandler are a perfect match."—William Boyd, author of Any Human Heart "A Marlowe we at once know, but have never met before. As much a meditation on aging and memory as it is a crime thriller."—Los Angeles Times "It's the kind of book where, when you read it, it turns the world to black and white for a half-hour afterward. It leaves you with the taste of rum and blood in your mouth. It hangs with you like a scar."—NPR
