Passion's Reign is the original title of Karen Harper's 2006 book The Last Boleyn. Published in 1983 and marketed as a romance novel, Passion's Reign tells the story of Mary Boleyn. Unlike the more famous The Other Boleyn Girl by Philippa Gregory, Harper does not allow Anne to take over the story and remains focused on Mary (of course Anne is in the book though).

Mary Boleyn was the mistress of two kings, Francis I of France and Henry VIII of England, and sister to Anne Boleyn, Henry VIII's second wife. In this astonishing and riveting biography, Alison Weir's extensive research gives a new and detailed portrayal, in which she recounts that, contrary to popular belief, Mary was entirely undeserving of her posthumous notoriety as a great whore.
