Nothing burns as bright as the flames of the refiner's fire. Moments after hearing the Council sentence her enemy to life imprisonment for attempted murder and illegal use of magic, Darcy is whisked away by the Fates—accused of tampering with destiny. The cherished dream she shared with Mason has been called into question, placing doubt about whether they are actually true mates. To resolve it, a price must be paid—the Heart or Death—a grueling series of tests designed to reveal a person's worth. Separated from Mason and her Pack, with Devlin as her only companion, she is pushed to her very limits. She must succeed—or lose everything. Will she crumble under the pressure or emerge stronger for testing fate?

Only a fool would think they could steal from a werewolf ... is just the beginning of trouble. Relying on the reassurances of Mason and the support of her friends and Pack, Darcy soon falls under attack. Suspicions are raised, and with no other choice, she must flee with Devlin to safety where hopefully they can untangle the lies hidden behind the use of magic. Time is quickly ticking away, leading to a showdown where everything is on the line. They need to uncover the truth before it's too late, or once again, Darcy will need to fight to hold onto her dreams.

"In the space between breaths, Mason's world forever altered and my heart broke for him. Once again, he was being called to face the refiner's fire. Only time would tell if he'd survive it, this time, unscathed." War has come to the Mystic Wolves Pack—one that brings the supernatural community together in the desperate fight to destroy the Master. Things have never been so dire, or dark, for Mason and Darcy as their love for each other and their friends fuel their determination to win at any cost—no matter the price. Hope turns to bitter frustration. Friendships will be tested. Lives are on the line—heartache and betrayal inevitable. Who will be THE LAST WOLF STANDING?
