As more people choose herbs to supplement or replace medication, there is a growing need for a trusted source of information on how to use them safely and for maximum effect. While herbs are generally considered "safe", combinations of herbs can be counterproductive or downright dangerous! "The One Earth

File Type PDF The One Earth Herbal Sourcebook

Herbal Sourcebook" is the first interactive guide to herbal medicine, presenting information on how to combine herbs safely and evaluate which herbs to use for specific conditions.
