Fun and simple. For some unknown reason this book helps me relax. It has been on two camping trips and has been used by both my 16yr old daughter and myself. This book has fun and silly pictures that are easy to color with colored pencils. There are not too many details that can get on my nerves. Easy coloring, relaxing, good bonding time at camp.

Purrfect for my cat loving daughter. I don't really like most coloring books, but it really is "too cute." More than I'd prefer to pay for a coloring book, but for the style, quality, and getting the purrfectly themed book it was worth it.
