This book was created to get you out of doors and into nature, with dozens of activities to try, from treasure hunts to woodcrafts to folk dances and outdoor cooking. Fully illustrated with helpful and whimsical drawings that make it easy to weave that floral crown, prank passersby with mysterious crop circles, or play a game of ultimate Frisbee.

The Wild Book: Outdoor Activities to Unleash Your Inner:::
As the first of many “Where the Wild Things Are” activities, have students think about what the “wild rumpus” in the book might have looked like. After all, there were several different types of monsters involved in the wild rumpus, and most of them don’t look too coordinated. If possible, split up the class into several groups and have each group organize its own wild rumpus, complete with dance steps and (sung) music.
