cure for what was then known as the fatal "white-blood disease." In London's Royal Naval Hospital annex, Hester is tending one of the brothers dying patients wealthy Bryson Radnor when she stumbles upon three weak, terrified young children, and learns to her horror that they've been secretly purchased and imprisoned by the Rands for experimental purposes. But the Rand brothers are too close to a miracle cure to allow their experiments to be exposed. Before Hester can reveal the truth, she too becomes a prisoner. As Monk and his faithful friends distinguished lawyer Oliver Rathbone and reformed brothel keeper Squeaky Robinson among them scour London's grimy streets and the beautiful English countryside searching for her, Hester's time, as well as the children's, is quickly draining away.
