~~The Witches Movie Review - Common Sense Media~~

Witchcraft was not made a capital offence in Britain until 1563 although it was deemed heresy and was denounced as such by Pope Innocent VIII in 1484. From 1484 until around 1750 some 200,000 witches were tortured, burnt or hanged in Western Europe. Most supposed witches were usually old women, and invariably poor.

A new adaptation of Roald Dahl's *The Witches* will not be coming to UK cinemas and go straight to on demand services, it has been announced. Anne Hathaway assumes the role of the Grand High Witch in...

Analyzes the Salem Witch Trials to offer key insights into the role of women in its events while explaining how its tragedies became possible.

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each

other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, **THE WITCHES** is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

In this wickedly funny cultural critique, the author of the critically acclaimed memoir and Hulu series *Shrill* exposes misogyny in the #MeToo era. This is a witch hunt. We're witches, and we're hunting you. From the moment powerful men started falling to the #MeToo movement, the lamentations began: this is feminism gone too far, this is injustice, this is a witch hunt. In *The Witches Are Coming*, firebrand author of the New York Times bestselling memoir and now critically acclaimed Hulu TV series *Shrill*, Lindy West, turns that refrain on its head. You think this is a witch hunt? Fine. You've got one. In a laugh-out-loud, incisive cultural critique, West extolls

the world-changing magic of truth, urging readers to reckon with dark lies in the heart of the American mythos, and unpacking the complicated, and sometimes tragic, politics of not being a white man in the twenty-first century. She tracks the misogyny and propaganda hidden (or not so hidden) in the media she and her peers devoured growing up, a buffet of distortions, delusions, prejudice, and outright bullsh*t that has allowed white male mediocrity to maintain a death grip on American culture and politics-and that delivered us to this precarious, disorienting moment in history. West writes, "We were just a hair's breadth from electing America's first female president to succeed America's first black president. We weren't done, but we were doing it. And then, true to form—like the Balrog's whip catching Gandalf by his little gray bootie, like the husband in a Lifetime movie hissing, 'If I can't have you, no one can'—white American voters shoved an incompetent, racist con man into the White House." We cannot understand how we got here—how the land of the free became Trump's America—without examining the chasm between who we are and who we think we are, without fact-checking the stories we tell ourselves about ourselves and each other. The truth can transform us; there is witchcraft in it. Lindy West turns on the light.

Roald Dahl's darkly funny masterpiece, *The Witches*, now available as a graphic novel from Eisner Award-winning artist Pénélope Bagieu! Witches are real, and they are very, very dangerous. They wear ordinary clothes and have ordinary jobs, living in ordinary towns all across the world -- and there's nothing they despise more than children. When an eight-year-old boy and his grandmother come face-to-face with the Grand High Witch herself, they may be the only ones who can stop the witches' latest plot to stamp out every last child in the country! This full-color graphic novel edition of Roald Dahl's *The Witches*, adapted and illustrated by Eisner Award winner Pénélope Bagieu, is the first-ever Dahl story to appear in this format. Graphic novel readers and Roald Dahl fans

alike will relish this dynamic new take on a uniquely funny tale.

Explores the rites, and ceremonies that characterized Horned God worship in western Europe from palaeolithic times to the Middle ages

The beloved, bestselling author of *The Birth House* and *The Virgin Cure* is back with her most beguiling novel yet, luring us deep inside the lives of a trio of remarkable young women navigating the glitz and grotesqueries of Gilded-Age New York by any means possible, including witchcraft... The year is 1880. Two hundred years after the trials in Salem, Adelaide Thom (Moth from *The Virgin Cure*) has left her life in the sideshow to open a tea shop with another young woman who feels it's finally safe enough to describe herself as a witch: a former medical student and *garden de sorts* (keeper of spells), Eleanor St. Clair. Together they cater to Manhattan's high society ladies, specializing in cures, palmistry and potions--and in guarding the secrets of their clients. All is well until one bright September afternoon, when an enchanting young woman named Beatrice Dunn arrives at their door seeking employment. Beatrice soon becomes indispensable as Eleanor's apprentice, but her new life with the witches is marred by strange occurrences. She sees things no one else can see. She hears voices no one else can hear. Objects appear out of thin air, as if gifts from the dead. Has she been touched by magic or is she simply losing her mind? Eleanor wants to tread lightly and respect the magic manifest in the girl, but Adelaide sees a business opportunity. Working with Dr. Quinn Brody, a talented alienist, she submits Beatrice to a series of tests to see if she truly can talk to spirits. Amidst the witches' tug-of-war over what's best for her, Beatrice disappears, leaving them to wonder whether it was by choice or by force. As Adelaide and Eleanor begin the desperate search for Beatrice, they're confronted by accusations and spectres from their own pasts. In a time when women were corseted, confined and committed for merely speaking
