Trent and All That — John W. O'Malley | Harvard University ... O'Malley's Trent and All That (2000) is an intellectual history that examines the terms historians have used to describe the “Catholic side” of the early modern period enduringly dubbed “the Reformation” by Lutheran historians in the late seventeenth century. O'Malley identifies a problem in how historians have unreflectively used loaded terms like “reform” and “reformation” to describe the Catholic side in this period, and he wants to propose his own solution—the ...
