In Tumbledown, Robert Boswell presents a large, unforgettable cast of characters who are all failing and succeeding in various degrees to make sense of our often-irrational world. In a moving narrative twist, he boldly reckons with the extent to which tragedy can be undone, the impossible accommodated.

Tumbledown Reviews — Robert Boswell

Tumbledown is a welcome return from a grossly overlooked and underrated novelist. A winning ensemble cast of therapists and patients make stabs at sanity in Robert Boswell's mordantly funny novel Tumbledown. When most of us think of today's great American novel, we think of Franzen's Freedom or Egan's A Visit from the Goon Squad --sprawling ...

Robert Boswell

The season has brought with it a bit of a relief, for after ten years we have finally gotten another Robert Boswell novel to immerse ourselves in. Set in a psychiatric rehab facility, Tumbledown centers around a troubled counselor and the patients whose lives he has been entrusted to help guide. Critics have described the novel as being in the mold of an old-fashioned kind of narrative, filled with the sort of character development, scene building, and sweeping story arch that can be hard to ...
