PPK/S Malfunction Well, I don't have a proper manual, so I don't have the correct nomenclature for these parts. However, I'll give it my best shot (sorry for the pun)! About half-way through a box of fifty factory rounds I experienced a jam. The slide went fully into battery but the trigger was stuck about half-way forward.

within the Impressionist circle, he broke with Vincent van Gogh and subsequently, when private difficulties caused him to become restless, embarked on a peripatetic life, wandering first through Europe and finally, in the search for pristine originality and unadulterated nature, to Tahiti. The paintings created from this time to his death in 1903 brought him posthumous fame. In pictures devoid of any attempt at romantically disguising the life style of the primitive island peoples, Gauguin was able to convey the magical effect that both the landscapes and life of the natives--their body language, charm and beauty--had on him. Wearying of his reputation as a South Sea painter, Gauguin finally
